McCone Building, Irvine Auditorium, 499 Pierce Street, Monterey

The Winter Commencement Ceremony will be held in person with a Zoom virtual option. The ceremony will be livestreamed and also recorded and available for viewing following the ceremony. The bottom of this document has a special section of information that will pertain to graduates participating virtually. Visit the webpage at go.miis.edu/graduate for more details and the full schedule. For questions, email rsvp@middlebury.edu.

CAPS & GOWNS

Under your cap and gown, please dress in business attire, i.e. shirts and ties, dresses, skirts, or suits. The mortarboard is worn flat and straight on your forehead. For master's candidates, the tassel goes on the left to signify previous possession of an academic degree. Caps and gowns are NOT mandatory; you may choose to wear formal traditional clothes from your homeland or business attire.

FACE COVERINGS

Masks are optional in Irvine Auditorium. However, guests who are not fully vaccinated should wear a mask at all times while indoors for the ceremony.

INFORMATION FOR YOUR GUESTS – Doors open at 12:00PM noon for seating. **All guests must present a ticket to be seated in Irvine Auditorium. Each guest ticket is unique and is required for entrance. It is highly recommended to have your guests print out their ticket in advance or have their ticket barcode available on their phones to show an usher.** Entrance for guests will be halted briefly at 1:00PM to allow the procession to enter the Auditorium. Due to safety codes, no strollers will be allowed into the aisles or within seating areas. There will be an area in which strollers can be stored during the ceremony for guests. No animals or pets will be admitted into the Irvine Auditorium unless they are official service animals. No food or beverages are allowed inside the Auditorium. However, water in covered/capped containers is allowed. If there are any guests with special needs (i.e. guests with wheelchairs, walkers, etc.), please email rsvp@middlebury.edu to make special arrangements by December 8th.

PHOTOGRAPHY - For safety reasons, guests must remain in their seats during the ceremony. We have arranged for a photographer to take photos as each graduate crosses the stage. Photos can be viewed and downloaded at go.miis.edu/gradphotosdec23.

PARKING – All campus lots will be available for guest parking. Street parking is also available but has time limits that are strictly enforced by the Monterey Police Department. There are also several minimal-cost City of Monterey parking lots within easy walking distance of campus.

RAIN PLAN – In the event of rain, graduates will meet and line up in the McCone Lower Atrium. If the rain plan is implemented, you will receive an email in the morning and signs will be posted at the Holland Center indicating this change.

SATURDAY, DECEMBER 16, 2023 DETAILS AND SCHEDULE

LINING UP BEFORE THE CEREMONY: – **12:30PM (12:15PM if you need help with regalia)** – **All graduation candidates must arrive at the Holland Center.** Please come dressed in your cap and gown. All graduates will meet by degree/certificate programs inside the Holland Center. Our staff will instruct you in lining up in alphabetical order and assist you with your hoods if needed. Important: During the line-up, you will receive a card with your name that you should keep with you, as you will hand the card to Dean Laura Burian just before walking across the stage. **Do not cross the stage until you hear your name announced.**

Do not bring coats, purses, or anything you don't want to carry in the procession as there will be no storage area provided for these items. No strollers, animals (other than service dogs), children, or non-graduates will be allowed in the procession. **NO ALCOHOL IS ALLOWED DURING THE COMMENCEMENT PROCESSION AND CEREMONY.**

PROCESSIONAL – 12:55PM – All graduates will depart the Holland Center, process out to Van Buren Street and cross at the crosswalk in the middle of the street, turn right on Van Buren down to Jefferson, turn left on Jefferson to Pierce, and turn left onto Pierce Street, and then into McCone/Irvine after entering the area inside the ballards. You will walk in a single file (escorted by Campus Security). Please pay attention to Security during the procession and follow any directions they may give you. The order is: 1) Bagpipes played by Professor Mike Gillen; 2) Flags; 3) Platform Party (Vice President, speakers, and deans); 4) Faculty; and 4) Graduates led by Professor Katherine Puntney.

1:00PM – Professor Puntney will lead you into Irvine Auditorium to the center section of chairs. Continue to march in single file upon entering the auditorium. An usher will count off the number of graduates per row. Remain standing until told by Vice President Dayton-Johnson to be seated.

DURING THE CEREMONY – Vice President Dayton-Johnson will announce when it is time for specific groups to stand and sit. Please listen carefully to his instructions. After the conferring of degrees, all grads will be asked to rise and come to the stage to receive diplomas.

You will be handed a diploma cover (actual diplomas will be mailed to you by the Records Office) and shake hands or “fist bump” Vice President Jeff Dayton-Johnson and Provost Michelle McCauley. Go down the stairs on the opposite side of the stage and return directly to your seat, but do not sit down until ALL students have crossed the stage and returned to their seats. Listen to Vice President Dayton-Johnson’s directions and watch Professor Puntney, to follow her lead in standing and sitting. Please pay attention to the guidance of the ushers as you enter and walk into your row and when returning to your seat after receiving your degree on stage.

RECESSIONAL – The Platform Party, faculty, and graduates will depart Irvine Auditorium in single file, led by Vice President Dayton-Johnson. Please pay attention to Security as you and your guests make your way back to the reception at the Samson Center.

RECEPTION approximately 2:15PM – The reception begins at the Samson Center immediately following the commencement ceremony. We will serve light appetizers, desserts, champagne, beer, and sparkling apple cider. (SMOKERS NOTE: Signs will be posted for the designated smoking area and we ask that you and your guests confine smoking to that area, which is the far corner of the Samson Center Patio). The reception will conclude at approximately 3:45PM.
