Severe Weather Site Evacuation Policy & Procedures

In the event that game officials must suspend play due to severe weather, the following steps will be taken:

1. For contests played at Alumni Stadium: the home team will retire beneath the stadium complex or locker room. The visiting team will retire to their locker room area in Kenyon Arena until the game officials deem it safe to resume the contest.
2. For contests played at the Dragone Track Complex, Kohn Field, South Street Fields, Lang Fields teams will retire to their respective locker rooms in the Peterson Athletic Complex until game officials deem it safe to resume the contest.
3. For contests played at Forbes Field/Softball complex, teams will retire to their respective means of transportation and then return to the locker rooms in the Peterson Athletic Complex until game officials deem it safe to resume the contest.

Alumni Stadium/Youngman Field

Emergency Personnel: Certified athletic trainer on site for practice and competition. MD on site for home football and men's lacrosse games.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone. Radios available for football games (Ch. 2)

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) with the athletic trainer on field. Additional supplies maintained in Zug Sports Medicine facility.

Fixed AED location: None, call Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete.
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Alumni Stadium and Youngman Field are located off Route 30. Turn left onto Golf Course Rd. off Route 30. Proceed to location A (designated on the map below) for an athlete related emergency. Proceed to location B (designated on the map below) for a spectator related emergency. Someone will meet you by the parking lot entrance to direct you to the scene.

Ambulance Location: For on field emergencies, the ambulance should pull as close to the field as possible or drive on field if needed at the southeast corner of the field by the shed (location A on the map). For spectator emergencies, the ambulance should pull up to the front of the stadium on Golf Course Rd (location B on the map).

Venue Map:

Dragone Track and Women's Soccer Field

Emergency Personnel: Certified athletic trainer on site for soccer practice and all competitions.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone.

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility or on field with the athletic trainer for competitions practices.

Fixed AED location: None, call Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Dragone Track and Women's Soccer Field located off South St. Proceed north on South St towards town. Turn left onto Porter Field Rd. and proceed to the parking lot. Someone will meet you at the edge of the parking lot to direct you.

Ambulance Location: For emergencies on the track or women's soccer field, the ambulance should pull up by the flag pole at the northwest corner of the field. For emergencies at the throwing area, the ambulance should follow directions to the track complex and then proceed down the gravel road toward the green maintenance building at the end of the track.

Venue Map:

South Street Field, Forbes Field: Baseball, Softball Field

Emergency Personnel: Certified athletic trainer on site for soccer practice and all competitions.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility or on field with the athletic trainer for competitions and practices.

Fixed AED location: None, call Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Forbes Field is located off South Street. Proceed north on South Street from your headquarters towards town center, look for the gate in the fence on your right. Someone is designated to meet you at the gate and direct you to the scene.

Venue Directions: South Street Field is located off South Street. Proceed north South Street from your headquarters towards town center. Someone has been designated to meet you at the break in the fence on your left to direct you to the scene.

Ambulance Location: For emergencies at South Street Field, the ambulance should pull up to the field or on field via the gravel road at the northeast corner of the field, west side of South St. For emergencies at Forbes Field, the ambulance should pull up through the gate on the gravel road on the east side of South St. to the end of the dugout along the first base line. For emergencies at the softball field, the ambulance should pull up through the gate on the gravel road on the east side of South St. to the second field, close to the end of the dugout along the first base line.

Venue Map:

Kenyon Ice Arena, Fritz Balcony

Emergency Personnel: Certified athletic trainer on site for practice and competition. MD on site for MIH varsity competition and MIH and WIH playoffs.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone. Landline available in first aid room. Radios available for games (Ch. 2)

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) in first aid room under arena or on bench for practices and games.

Fixed AED location: Inside main entrance (near concessions) on the left wall by the fire extinguisher

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates/doors. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Kenyon Arena is located off Route 30. Proceed south on Route 30. Turn left onto Golf Course Road; then sharp left onto access road, follow towards southeast corner of Kenyon. Someone has been designated to meet you to direct you to the scene. Proceed to location A for a spectator injury or for an injury in Fritz strength balcony. Proceed to location B for an athlete injury on the ice.

Ambulance Location: For emergencies in Fritz balcony, the ambulance should pull up to the double blue doors to the left of the glass door entrance of the ice arena (location A on the map). For emergencies in Kenyon arena, the ambulance should pull up to the Zamboni door or the end of the lower level of the arena (location B on the map).

Venue Map:

Kohn All-Weather Field, Squash

Emergency Personnel: Certified athletic trainer on site for practice and competition.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, spine board) maintained in Zug Sports Medicine facility or with certified athletic trainer for contests and field practices.

Fixed AED location: Inside entrance of squash lobby to the right of the stairs

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates/doors. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Kohn All-Weather and squash complex are off Route 30, behind Kenyon Arena. Proceed south on Route 30, turning left onto Golf Course Road; then sharp left onto access road proceed east towards back of complex, taking left at end of parking lot. Someone has been designated to meet you to direct you to the scene.

Ambulance Location: For emergencies in the squash center, the ambulance should pull up to the glass doors at the squash lobby/end of Kohn field. For emergencies on Kohn field, the ambulance can pull up to the same location as squash or access the field via the gravel road along the southwest end of the field.

Venue Map:

Pepin Gym, Nelson Arena, Natatorium, Zug Sports Medicine Facility

Emergency Personnel: Certified athletic trainer on site for competition. Lifeguard available in Natatorium for all hours of pool use.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) available in Sports Medicine or on court/deck for competition.

Fixed AED location: AED available via Public Safety 802-443-5911 if no athletic trainer present, or

- Pepin/Nelson: Lobby of Pepin
- Natatorium: On deck behind lifeguard towers
- Zug Sports Medicine: to the left of the main door on shelf

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates/doors. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Natatorium, Zug Sports Medicine are located off Route 30 traveling south. Take the first left after Fine Art Center, then sharp right into visitors parking lot. Travel to the second flag at end of the parking lot, just past Pepin gym. Someone is designated to meet you and direct you to scene.

Venue Directions: Pepin Gym and Nelson Arena are located off Route 30 traveling south. Take the first left after Fine Art Center, then sharp right into visitors parking lot. Travel to the first flag in front of the doors labeled Memorial Field House, between Nelson Arena and Pepin gym. Someone is designated to meet you and direct you to scene.

Ambulance Location: For emergencies in Nelson arena or Pepin gym, the ambulance should pull up to the wooden doors on the front side of the building along S. Main St. just past the parking area. For emergencies in the sports medicine facility or Natatorium, the ambulance should pull up to the blue doors along the concrete wall at the southwest end of Pepin gym.

Venue Map:

Fitness Center

Emergency Personnel: Certified athletic trainer accessible from Zug Sports Medicine facility by cell phone

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) available in Zug Sports Medicine Facility.

Fixed AED location: Second floor stairwell, or via Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates/doors. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Fitness Center is off Route 30 traveling south. Take first left after the Fine Arts Center, proceed around to the south side of Nelson Arena to Fitness Center entrance on south side. Someone has been designated to meet you and direct you to the scene.

Ambulance Location: For emergencies in the fitness center, the ambulance should pull up along the back of Nelson arena around the traffic circle.

Venue Map:

Virtue Fieldhouse

Emergency Personnel: Certified athletic trainer on site for practice and competition.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility and on field for all track contests.

Fixed AED location: Left of main entrance to facility down the stairs at track level (next to bathrooms)

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates/doors. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Virtue Fieldhouse is located off Route 30. Turn into the parking lot at the main entrance to the Peterson Athletic Complex. Someone will meet you near the entrance to direct you. Proceed to location A for a spectator injury. Proceed to location B for an athlete injury on the track or field surface.

Ambulance Location: For emergencies in the stands in Virtue fieldhouse, the ambulance should pull up to the glass doors at the northwest corner of the fieldhouse (location A on the map). For emergencies on the track or field level, the ambulance should pull up to the wall of blue doors in the tunnel at the southeast corner of the fieldhouse (location B on the map).

Venue Map:

Outdoor Tennis Courts (South St.)

Emergency Personnel: Certified athletic trainer on site for competitions.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility or on courts for all outdoor tennis contests when an athletic trainer is present.

Fixed AED location: None, call Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Located off South Street. Turn right onto South St. and follow until you see the tennis courts on the left side of the road, drive just past them and turn left onto Porter Field Road. Turn left into the gravel parking lot right away. Someone will meet you at the parking lot to direct you.

Ambulance Location: For emergencies at the outdoor tennis courts, the ambulance should pull up to the gravel parking lot north of the courts on the west side of South St.

Venue Map:

Proctor Tennis Courts (122 Hillcrest Rd. Middlebury, VT)

Emergency Personnel: Sports medicine staff is accessible from Zug Sports Medicine facility by cell phone. This venue is rarely used for competition.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility or on courts for all outdoor tennis contests when an athletic trainer is present.

Fixed AED location: AED fixed in Proctor Dining Hall in the main dining room by the dish return.

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Located off Route 125. Turn right onto South St. and follow until you reach the traffic circle. Take the third exit from the traffic circle onto College St. then turn left onto Hillcrest Rd. and follow until you reach the tennis courts on your left. Someone will meet you at the corner of Hillcrest Rd. and College St. to direct you.

Ambulance Location: For emergencies at the Proctor tennis courts, the ambulance should pull up to the bank of courts where the emergency is occurring on Hillcrest Rd.

Venue Map:

Ralph Myhre Golf Course

Emergency Personnel: Sports medicine staff accessible from Zug Sports Medicine facility by cell phone

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility or with an athletic trainee if present at the course during competition.

Fixed AED location: AED located in the Kirk Alumni Center near the restrooms.

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates/doors. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Located off Route 30. Proceed to South St. towards town. Turn left onto Porter Field Rd. and continue to South Main St. Turn left onto South Main St. then turn left onto Golf Course Rd. Stay to the right at the entrance and proceed past Alumni Stadium toward the golf course. Turn left to stay on Golf Course Rd. Then turn left into the parking lot of the Kirk Alumni Center. Someone will meet you at the parking lot entrance to direct you.

Ambulance Location: For emergencies at the golf course, the ambulance should pull up to the front of Kirk Alumni Center/clubhouse. You may be directed to drive to a closer location on the course when possible or as needed.

Venue Map:

Rugby Field and Women's Soccer Practice (Lang) Field

Emergency Personnel: Certified athletic trainer on site for practices and competitions.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) located with the athletic trainer on the sideline.

Fixed AED location: None, call Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Located off Route 30. Proceed to South St. towards town. Turn left onto Porter Field Rd. and continue to South Main St. Turn left onto South Main St. then turn left onto Golf Course R. Stay to the left at the entrance and then veer to the right towards Kenyon Arena. The rugby field is located across the parking lot from the squash center. Someone will meet you at the parking lot entrance to direct you to the scene.

Ambulance Location: For emergencies at the rugby or women's soccer practice fields, the ambulance should pull up to the end of the fields in the parking lot on the southwest side of the athletic complex. Do not attempt to drive onto these fields.

Venue Map:

Middlebury Cross Country Course

Emergency Personnel: Certified athletic trainer on site for competition only; additional sports medicine staff accessible from Zug Sports Medicine facility by cell phone. During cross country events, an athletic trainer trailer will follow the last runner throughout the course on a golf cart and notify athletic training staff at the finish line of any injuries or issues along the trail. EMS will be present at all home competitions by the finish line.

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone. Radios available during cross country meets (Ch. 2).

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) located with the athletic trainer at the finish line and in trail vehicle. EMS present at the finish line.

Fixed AED location: None, call Public Safety 802-443-5911 if no athletic trainer present

Roles of First Responders:

- **Athletic trainer:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, game manager, athletic training student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, phone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Public safety is notified when 911 is called.
- **Designee 2** (coach, game manager, athletic training student, etc.): Retrieval of emergency equipment.
- **DPS or Designee 3:** Direction of EMS to scene, open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Located off Route 30. Proceed to South St. towards town. Turn left onto Porter Field Rd. and continue to South Main St. Turn left onto South Main St. then turn left onto Golf Course R. Stay to the left at the entrance and then veer to the right towards Kenyon Arena. Cross country course finish lines are located across the parking lot from Kenyon Ice Arena. Someone will meet you at the parking lot entrance to direct you to the scene.

Ambulance Location: For emergencies on the cross country course, the ambulance should pull up to the finish line area between the football field and rugby field along the west side of the athletic complex.

Venue Maps:

Rikert Nordic Center

- **Emergency Personnel:** Middlebury Ski Patrol is onsite. MREMS is hired for onsite coverage during Winter Carnival and NCAA Championship. When MREMS is onsite, Ski Patrol responds to all course/trail incidents, and MREMS responds to parking lot/stadium area incidents.
- **Emergency Communication:** Rikert Staff communicate via radio Ch.2 with Ski Patrol. If transport is needed, Ski Patrol communicates with MREMS via radio Ch.16. MREMS can also be called for ambulance transport at 802-388-2611. Helicopter transport is available via phone at 800-650-3222. Following emergency action, coaches contact Sports Medicine staff in Zug Sports Medicine by cell phone to notify them that injury has been sustained.
- **Emergency Equipment:** AED located by Rikert Lodge main entrance in wall cabinet. Ski Patrol carries on hand: oxygen, airway supplies, vitals equipment, bleeding and trauma supplies, and patient transport equipment (toboggans, litter, c-spine splinting, ATV). Ski Patrol has onsite medical clinic located in Building “Larch” which is a white building with front porch on west side of main Rikert entrance driveway
- **Fixed AED location:** AED available via Ski Patrol ch.2 or 443-7613, or via Ch.6 on Rikert ticket desk base radio. AED in wall cabinet in Rikert Lodge next to main entrance.
- **Roles of First Responders:**
 - Rikert Staff radios Ski Patrol via Ch.6 (provide number of skiers injured, exact location of the injured skier(s), age and gender, nature of the injury/illness, is the person conscious, is the person mobile)
 - If the injury is anticipated as serious or the injured person is in a lot of pain – radio the Chief Medical Officer and have them call Middlebury Ambulance immediately. Call rescue sled, driver, and medical staff.
 - If the injury is anticipated as less serious – wait for first-aid staff evaluation before deciding whether or not to call Middlebury Ambulance. Call for rescue sled, driver and medical staff. Notify the Chief Medical Officer via radio that there is an injured skier/medical emergency on the trail.
 - Once on scene designate one person in charge. They will handle radio and documentation, but NOT treatment. Determine if race needs to be suspended for safety and contact race officials if needed.
 - Treat the patient(s) as your training allows.
 - Remain in contact with the chief Medical Officer and report progress; they are able to call 911 and find more first-aid personnel.

Venue Directions: Located at **106 College Cross Road, Ripton VT 05766**. Follow Route 7 South. From Route 7, turn onto RT 125 East for approximately 7 miles. The Nordic Center will be on your left.

Ambulance Location: For emergencies at the Nordic center, the ambulance should pull up to the lodge, at the east end of the parking lot closest to the ski trail.

Venue Maps:

Middlebury Snow Bowl

- **Emergency Personnel:** Middlebury Ski Patrol is onsite. MREMS is hired for onsite coverage during Winter Carnival and NCAA Championship. When MREMS is onsite, Ski Patrol responds to all course/trail incidents and MREMS responds to parking lot/stadium area incidents.
- **Emergency Communication:** Snow Bowl Staff communicate via radio Ch.2 with Ski Patrol. Ski Patrol can be reached by phone at 802-443-7613. If transport is needed, Ski Patrol communicates with MREMS via radio Ch.16. MREMS can also be called for ambulance transport at 388-2611. Helicopter transport is available via phone at 800-650-3222. Following emergency action, coaches contact Sports Medicine staff in Zug Sports Medicine by cell phone to notify them that injury has been sustained.
- **Emergency Equipment:** All medical response/rescue equipment is available in Patrol Huts or on hand via Ski Patrol: AED, oxygen, airway supplies, vitals equipment, bleeding and trauma supplies, and patient transport equipment (toboggans, litters, c-spine splinting, ATV/snowmobile, lift/high angle evacuation gear). Patrol Huts located in Base area (building with red roof) and on Sheehan Lift and Worth Mountain Lift summits.
- **Fixed AED location:** AED available via Ski Patrol 443-7613 or Ch.2 via radio.
- **Roles of First Responders:**
 - Snow Bowl Staff radios Ski Patrol via Ch.2 (provide number of skiers injured, exact location of the injured skier(s), age and gender, nature of the injury/illness, is the person conscious, is the person mobile)
 - If the injury is anticipated as serious or the injured person is in a lot of pain – radio the Chief Medical Office and have them call Middlebury Ambulance immediately. Call rescue sled, driver, and medical staff.
 - If the injury is anticipated as less serious – wait for first-aid staff evaluation before deciding whether or not to call Middlebury Ambulance. Call for rescue sled, driver and medical staff. Notify the Chief Medical Officer via radio that there is an injured skier/medical emergency on the trail.
 - Once on scene designate one person in charge. They will handle radio and documentation, but NOT treatment. Determine if race needs to be suspended for safety and contact race officials if needed.
 - Treat the patient(s) as your training allows.
 - Remain in contact with the chief Medical Officer and report progress, they are able to call 911 and find more first-aid personnel.

Venue Directions: Located at **6886 VT-125, Hancock, VT 05748**. Follow Route 7 South. From Route 7, turn onto RT 125 East for approximately 9 miles. The Snow Bowl will be on your right.

Ambulance Location: For emergencies at the Snowbowl, the ambulance should pull up to the front of the lodge in the parking lot. You may be directed to another area within the parking lot from there.

Venue Map:

Crew Team Launch at Lake Dunmore

Emergency Personnel: Sports medicine staff accessible from Zug Sports Medicine facility by cell phone

Emergency Communication: Contact Sports Medicine staff in Zug Sports Medicine by cell phone. Contact EMS by calling 911.

Emergency Equipment: Supplies (red emergency kit, splint kit, AED) maintained in Zug Sports Medicine facility.

Fixed AED location: There are no fixed AED locations at this site. Call 911 immediately.

Roles of First Responders:

- **Coach or student:** Immediate care of the injured or ill student-athlete
- **Designee 1** (coach, student, etc.): Activation of emergency medical services (EMS)- Call 911. Provide name, address, telephone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as requested.
 - Notify Public Safety at (443-5911). Call DPS to provide an overview of the situation when the situation is not urgently emergent.
- **Designee 2** (coach, student, etc.): Retrieval of emergency equipment if present at site.
- **Designee 3:** Direction of EMS to scene open appropriate gates. Scene control: limit scene to first aid providers and move bystanders away from area.

Venue Directions: Follow South St. towards Route 7. Turn right onto Route 7 and follow for 6.5 miles. Turn left onto State Route 53/Lake Dunmore Rd. and follow until it veers right into West Shore Rd. Follow West Shore Rd. for just under one mile to reach Paddlers Pub. The boat launch is just to the left of the restaurant.

Ambulance Location: For emergencies at the crew launch site, the ambulance should pull up to the parking area in front of Paddler's pub unless dispatch has been informed of another location around lake Dunmore for easier access.

Venue Map:
