Immunizations Required by Vermont Law

1. You must be in compliance with the following required immunizations, as outlined in the table below. **Students will be required to receive a Covid vaccine prior to arrival on campus this year. Flu vaccine will be required during the upcoming flu season (fall/winter). Students will be provided an option to receive flu vaccine free of charge during the fall semester at Middlebury.**

2. **Obtain an official copy of your Immunization Record (and a Request for Provisional Admittance, if requirements not yet met) from your health care provider, then upload it through the Student Health Portal. Records MUST be legible and in English.**

3. Students who have no record of immunizations or have incomplete immunizations must submit a Request for Provision Admittance form (in this packet).

4. In rare cases, you will not be able to obtain a record of immunizations. In that case, try to obtain these records from previously attended schools or from your State Immunization Registry. Blood tests can be obtained to determine immunity.

5. Please have your health care provider review these guidelines.

6. Students who do not show evidence of meeting the Vermont Immunization requirements will not receive access to a dorm room until a plan for completion of requirements is developed with Health Services at the Center for Health and Wellness. Registration for classes in subsequent semesters will be blocked and students may ultimately be excluded from school, in accordance with Vermont Law.

The following Vermont State requirements MUST BE MET:

HEPATITIS B	3 Doses • Minimum 1 month between doses 1 and 2 • Minimum 2 months between doses 2 and 3 • Minimum 4 months between doses 1 and 3 **OR** Positive Titer
MENINGITIS (ACWY or MPSV4) • (Meningitis B is optional)	One dose, given **after 16th birthday** • **If first dose given before 16th birthday, must have 2nd dose**
MMR	2 doses: MMR, *MMRV or Individual Vaccines • First dose given **AFTER** first birthday • At least 4 weeks between doses **OR** Positive Titers *MMRV : Measles / Mumps / Rubella / Varicella
TETANUS, DIPHTHERIA, PERTUSSIS	1 dose: Tdap (Tetanus, Diphtheria, and Pertussis) **Must be Tdap.** • NOT ACCEPTED: Td, DTap, or DT
VARICELLA	2 doses: Varicella or MMRV • First dose given **AFTER** first birthday • At least weeks between doses **OR** Positive Titer **OR** History of disease (document on Varicella disease form)

Request for Provisional Admittance

Dear Student,

Prior to college entry, Vermont's Immunization Rule requires that students have certain immunizations. Exemptions exist for medical or religious reasons. Students are allowed provisional admittance temporarily IF the student has an appointment scheduled to receive the missing vaccine(s), consistent with the Centers for Disease Control and Prevention (CDC) immunization schedule. **Please bring this form to your health care provider for completion (IF provisional admittance is requested). Please upload this completed form with your current Immunization record. International students who are unable to obtain certain vaccinations in their home country can contact Health Services at 802-443-3290 or at chw@middlebury.edu for guidance.**
