REUNION | JUNE 5-7, 2022 | CLASS OF 1970

Looking Ahead to Reunion 2022!

IN THE MIDST OF WINTER, our Reunion committee is making plans for next summer. That's when we'll travel back to campus, June 5-7, for our long-awaited 50th Reunion. Middlebury Reunions are always memorable and deeply meaningful. We're looking forward to hearing your stories, insights, and ideas about the future.

Our committee is developing the program and can assure you this is an occasion you don't want to miss. Housing will be available on campus, and we will enjoy meals from dinner Sunday through breakfast Tuesday. You can look forward to thought-provoking discussions, campus tours, dancing, and festive dinners.

If you have never been to a Reunion, we encourage you to make this one your first. If you've attended one, or many, before, then you know how enjoyable our time together will be. We hope you'll feel inspired to connect with your classmates and friends as you start planning for next June. We look forward to joining you in conversation, celebration, and our walk together to the Chapel.

Sincerely,

Bonnie Williams Flahive, Jack Rudnick, and Jeff Sturges
