## Steps to Enroll in Oracle

The plans you enroll in will be effective from 1/1/23 (or your benefits eligibility effective date) through 12/31/23.

### LOGIN TO ORACLE

1. To get started with self-service enrollment, you will need to navigate to Oracle.

3. Click Make Changes, or Start Enrollment (if you are new to benefits), under your name in the middle of the screen.

### BEFORE YOU ENROLL, UPDATE BENEFICIARIES AND DEPENDENTS

Collect your dependents’ information if you intend to add them to your plans or name them as beneficiaries. You’ll need full names, dates of birth and gender.

1. Click Add to add each individual you will add as a dependent on your insurance plans or name as a beneficiary on your life insurance.
   - Enter required information.
   - Important: In the What’s the start date of this relationship? box, enter a birthday or anniversary date prior to your benefits effective date.
   - To not enroll a contact, do not select them when you enroll in a benefit.
   - Click Submit.
2. Once all of your people have been added, click Continue.

ELIGIBILITY

Employees
You are eligible to participate on the first day of the month following your employment, or classification as an Eligible Employee. If your first day of employment or benefits eligible classification is the first day of the month your benefits will be effective on that day.

Dependents
Your legally married spouse or domestic partner and/or any biological, adopted, foster or stepchildren, children of a domestic partner, or any child for whom you are court appointed as legal guardian (up to age 26).

For information on domestic partner eligibility, be sure to visit https://www.middlebury.edu/office/human-resources/self-service-resources/domestic-partner-benefits.

KEY TERMS TO KNOW

Deductibles are the amount you pay for covered health care services before your insurance plan starts to pay.

- Aggregate deductible - All medical & pharmacy claims for a +1 or Family apply towards the same deductible and out of pocket max. There are no individual limits.

- Stacked Deductible - Individual medical & pharmacy claims are applied towards the individual deductible and out of pocket max regardless of +1 or Family enrollment.

Copayments (copays) are the fixed dollar amounts (for example, $15) you pay for covered health care, typically at the time of service.

Coinsurance is the percentage of costs of a covered health care service that you pay (20%, for example) after you've paid your deductible.

Generic drugs contain the same active ingredients as brand-name drugs, but generally are less expensive.

Preferred brand drugs are brand-name drugs that are listed on the plan’s preferred list of prescription drugs.

Non-preferred brand drugs are brand-name drugs that are not included listed on the plan’s preferred list of prescription drugs. These may not be covered under the plan.

Specialty drugs are used to treat certain complex health problems. These drugs tend to be very expensive.

A Preferred Provider Organization (PPO) plan provides coverage to participants through a network of selected health care providers (such as hospitals and physicians). The enrollees may go outside the network, but would incur larger costs.

A High Deductible Health Plan (HDHP) combines traditional medical coverage and a tax-advantaged Health Savings Account (HSA) to help save for future medical expenses.

WHEN CAN YOU MAKE CHANGES TO BENEFITS?

Generally, changes are only allowed under the following circumstances:

Annual Enrollment Period
Once a year we conduct an Annual Open Enrollment in the fall. During this time, you can add or drop benefit plans, enroll in a FSA or HSA, and add or remove dependents from your coverage for the coming plan year.

Qualifying Life Events - Change in Status
Outside of the Annual Enrollment period, you may change your benefit elections during the year only if you experience a Qualifying Life Event. Below are examples of life events that may allow you to make a change.

EXAMPLES OF QUALIFYING LIFE EVENTS

- Marriage, divorce or legal separation
- Birth or Adoption of a Child
- Change in your spouse’s benefits or employment status
- Death of your spouse, child, or other qualified dependent
- Change in your child’s dependent status

When can I change my benefits?

All of our medical plans include 100% coverage for preventive care services in the Cigna Network. See below for an overview of how the plans work and refer to the comparison chart on page 10 to see how certain common services are covered.

**STACKED DEDUCTIBLE:** Plan pays for an individual once the individual deductible is met, even on a two-person or family plan.

- Cigna’s Telehealth Connection is covered at a low cost per visit.
- Other medical services (like hospital stays) are covered at 80% after the plan’s deductible has been met.
- After the plan’s deductible has been met, eligible in-network medical expenses are covered at 80%.
- If your out-of-pocket costs reach the annual maximum, the plan pays 100% for eligible care the remainder of the plan year.

A SMART AND AFFORDABLE CHOICE FOR QUICK CARE

Using Cigna’s Telehealth Connection can help get you the doctor visit and prescription you need, while also saving you time and money.

It’s a great tool for when:

- You are traveling
- Your dependent is traveling or away at school
- You need help after hours or on the weekend
- Anytime you can’t get in to see your regular provider

Some of the most common uses include:

- Cold and flu symptoms such as cough, fever, earaches, and headaches
- Allergies and sinus infections
- Fever
- Bladder infections, UTIs
- Pink eye

CIGNA VIRTUAL CARE FOR BEHAVIORAL HEALTH

Life is demanding. That’s why your health plan through Cigna includes access to minor medical and behavioral/mental health virtual care.

Whether it’s late at night and your therapist isn’t available or you just don’t have the time or energy to leave the house, you can:

- Schedule a behavioral/mental health virtual care appointment online in minutes
- Connect with quality, licensed counselors and psychiatrists
- Have a prescription sent directly to your local pharmacy, if appropriate

IT’S SIMPLE TO USE

1. Download the MyCigna® app
2. Log in with your Cigna username and password
3. Tap “Find Care” at the bottom of your screen
4. Tap Cigna Telehealth Connection, then choose MDLive

GO AHEAD AND SIGN UP TODAY!

No one plans to get sick... it seems to happen out of nowhere! That’s why we highly encourage you to download the MyCigna® app now, before you need it, and get signed in so that when you need to use the Telehealth Connection services, all you need to do is connect through the app.

One thing to understand is the difference between Telehealth and Telemedicine. Telehealth (MDLive) is not a visit with your doctors. Telemedicine is the tagline used when you see your doctor via secure video conference or phone, but not in person. A Telemedicine visit follows the same rate structure as an in-person visit.

New for 2023: Single Premium Approach for All Employees for Each Plan

Anyone enrolled in the PPO or Gold Plans will pay according to the salary sensitive charts above. Contact Your Benefits Team if you have questions about your rates. Call 802-443-5485 or email benefits@gmhec.org.
Managing Your Health Savings Account

A Health Savings Account, commonly known as an HSA, is an individual account you can open, add money to, and spend on eligible health care expenses. The HSA is only available to employees who have elected the Panther Plan (Silver) HDHP medical plan.

HSA BASICS

An HSA is unique because you own the account and control how the money is spent. Unused funds roll over from year to year. Contributions can be made with pre-federal tax and pre-state* tax dollars through payroll deduction. The money in the account can be invested and for federal and state* tax purposes earnings and capital gains are not taxed. Withdrawals to pay for qualified medical, dental, and vision expenses are not taxed either!

*CA and NJ do not grant HSAs the same tax advantages that federal law and other states provide. The employer’s contribution, your contribution, and any taxable earnings within your HSA will generally be subject to state income tax, if you are required to file a CA or NJ state income tax return. Consult your tax advisor for specifics.

SETTING UP YOUR HSA

If you are eligible for an HSA Account (by electing the Panther HDHP with HSA medical option), you will receive a Welcome Kit at your home address with registration information. We partner with HealthEquity to administer our employees’ Health Savings Accounts.

If you currently have an HSA through Middlebury, you do not need to set up a new plan. A new debit card will not be issued unless your current card expires.

EMPLOYER CONTRIBUTIONS

The College’s Contribution will be deposited into your HSA each pay period.

ADDING MONEY

The IRS sets the annual dollar maximum that can be made to an HSA depending on if you are enrolled in a qualified high deductible health plan. Coverage of two or more people is considered family coverage. People who are age 55 or older can make additional catch-up contributions.

*Amounts are prorated for participants joining the plan part way through the year.

USING HSA MONEY

HSA money can be used tax-free for any eligible medical, dental, or vision expenses. If you pay out of pocket for an eligible expense, you can reimburse yourself from your HSA by filing a claim online.

Once you turn age 65, you may use your HSA money for any expense, medical or not, but you will pay income taxes on those non-medical expenses.

Distributions made for any non-qualified medical expenses are subject to income tax and a 20% penalty. The 20% penalty is waived in the case of death or disability.

MANAGE YOUR ACCOUNT ONLINE

At my.healthequity.com, you can:

Supplementing Your Medical Plan

Our medical plans provide great coverage for your health needs, but an unexpected injury or illness can mean unexpected bills that you didn’t plan for. That’s where supplementing your insurance with our voluntary plans can help. If you experience a covered condition, you’ll receive a cash reimbursement benefit to help offset your out of pocket expenses.

CRITICAL ILLNESS INSURANCE

If serious illness strikes, Unum’s Critical Illness Insurance provides cash to help with the extra expenses associated with your treatment and recovery. If you elect this coverage and are diagnosed with a covered illness, you get a lump-sum cash reimbursement benefit — even if you receive benefits from other insurance. Your spouse may enroll in half of the employee’s coverage.

Coverage Amounts

- Employee – Choose $10,000, $20,000, or $30,000
- Child – All eligible children are automatically covered at 50% of the employee benefit amount (no additional cost)
- Spouse – Choose $5,000, $10,000, and $15,000 (must also purchase employee coverage)

Covered illnesses include (but are not limited to):

- Heart Attack
- End Stage Renal (Kidney) Failure
- Stroke
- Coronary Artery Bypass Surgery
- Major Organ Transplant
- Cancer and Carcinoma in Situ
- Benign brain tumor
- Blindness

Wellness Benefit

You can receive a wellness benefit of $50, $75, or $100 per calendar year per person covered under the Critical Illness plan if a covered health screening test is performed.

These wellness benefits are based on the employee coverage amount that is selected. Contact Unum at 800.635.5597 to inquire about claiming your wellness benefit.

Critical Illness Insurance Rates

Rates are based on you and your spouse’s age and coverage amount elected. Review the rates listed in Oracle as you make your elections.

ACCIDENT INSURANCE

The Accident Insurance plan provides benefits to help cover the costs and out-of-pocket expenses associated with your treatment and recovery from an accident. When a covered accident occurs, the last thing you should have to worry about is paying for the charges that may be accumulating while you’re not at work.

Examples of Covered Injuries*

- Broken bones
- Burns
- Torn ligaments
- Concussions
- Eye injuries
- Ruptured discs
- Lacerations

*Exclusions and limitations may apply; refer to plan documents for full list

We offer two dental plans through Cigna. You’ll see from the chart below, there are differences in coverage, so it’s important you choose the plan that is right for your needs. Those needs may change from year to year. Look at the factors such as the amount you pay for coverage, annual deductible, annual maximum, and your out-of-pocket costs on services.

SAVE MONEY IN THE NETWORK

Although Cigna allows you to visit any provider you would like, staying in the Cigna network will provide you with highest level of benefits. Out-of-network providers are allowed to balance bill you for any amount above what Cigna considers “Usual and Customary.” Visit mycigna.com or log on to the myCigna® mobile app to see who is in the network.

HEALTHCARE FSA
A Flexible Spending Account (FSA) allows you to set aside money from your paycheck before income taxes are withheld. This money is available to pay for eligible medical, dental, and vision expenses, such as copayments, deductibles, eyeglasses, contact lenses and other health-related expenses that are not reimbursed by insurance.

LIMITED PURPOSE FSA (HDHP PARTICIPANTS ONLY)
If you or your spouse are enrolled in a High Deductible Health Plan, you may only enroll in a Limited Purpose FSA. You may use these funds to pay for eligible dental and vision expenses, preserving the money in your HSA for medical expenses.

HOW IT WORKS
You decide how much to contribute to your Health Care or Limited Purpose FSA each year, up to $3,050 for 2023. Your annual election will be divided by the number of pay periods and deducted evenly on a pre-tax basis from each paycheck throughout the plan year.

Rollover
FSA plans allow up to a certain dollar amount to rollover from year to year. You may rollover up to $610 of unused funds from 2023 in to 2024.

CLAIMS REIMBURSEMENT
You can access your FSA funds through the plan administrator’s website at naviabenefits.com. Learn more about managing your account on page 17.

DEPENDENT CARE FSA
The Dependent Care FSA allows you to set aside money from your paycheck on a pre-tax basis for child care expenses to allow you and your spouse to work or attend school full-time. Eligible dependents are your tax dependent children under 13 years of age or a child over 13, spouse or elderly parent residing in your home, who is physically or mentally unable to care for himself or herself.

How Much Can I Contribute to a Dependent Care FSA?
Under the Dependent Care FSA, if you are married and file a joint return, or if you file a single or head of household return, the annual IRS limit is $5,000. If you are married and file separate returns, you can each elect $2,500 for the plan year. You and your spouse must be employed or your spouse must be a full-time student to be eligible to participate in the Dependent Care FSA.

Eligible Expenses
Some examples of eligible Dependent Care expenses include day care facility fees, before and after-school care, in-home babysitting fees (income must be reported by your care provider on their tax return), and elder care.

Things to Consider Before You Contribute to A Dependent Care FSA
- You cannot take income tax deductions for expenses you pay with your Dependent Care FSA.
- You cannot stop or change contributions to your Dependent Care FSA during the year unless you have a change in status consistent with your change in contributions.
- Claims for the previous calendar year must be submitted for reimbursement by March 31.
ACCESS YOUR FUNDS WITH YOUR FLEX CARD

Navia will issue you a debit card. It can be used to pay for eligible FSA and Dependent Care expenses.

IMPORTANT: FSA claims need to be substantiated and therefore you should save all receipts from flexible spending transactions.

If you choose not to use your flexible spending card you may use the app or send in paper claims forms with the proper documentation for reimbursement.

BASIC LIFE AND AD&D
For eligible employees, the College pays 100% of the cost of Basic Life insurance and Accidental Death & Dismemberment (AD&D) insurance through Unum.

<table>

</tr>
</tbody>
</table>

* At age 70, benefits reduce to 65% of covered amount.
At age 75, benefits reduce to 50% of covered amount.

The Basic Life and AD&D benefit premiums are paid by the College, however, the imputed cost of coverage is taxable under federal law. FICA, state and federal taxes based on the imputed cost of coverage over $50,000 is determined by using an IRS chart with your age and the dollar amount, and withheld from pay.

In most cases the tax you pay on the benefit is much less than it would cost you to purchase the insurance on your own.

SHORT-TERM DISABILITY
Short-Term Disability (STD) provides you with income when you are unable to work due to an illness, injury, or maternity. This coverage is paid for by the College and all claims are administered by Unum.

<table>
<thead>
<tr>
<th>BENEFIT DETAILS</th>

</thead>
<tbody>
<tr>
<td>Up to 60% of bi-weekly earnings (less state disability, if any)</td>
</tr>
</tbody>
</table>

Short-Term Disability benefit payments are made through payroll, which means your normal benefit deductions will still occur. Short-Term Disability benefits may begin once:

- An individual has been out for 14 consecutive days for an illness or injury (this is called the elimination period)
- The appropriate paperwork has been filed with Unum
- Unum has approved the illness or injury as a disability

Unum will determine your benefit based upon your disability and the physician’s diagnosis. After a two-week elimination period STD pays 60% of pre-disability wages for up to 24 weeks.

LONG-TERM DISABILITY
Long-Term Disability (LTD) provides you with income when you are unable to work due to a disability. This coverage is provided to you by the College at no cost to you. All claims are administered by Unum. LTD payments are 60% of wages up to $10,000 per month. Payments are made directly to you by Unum.

Long-Term Disability will begin once:

- The elimination period of 180 days (length of STD) has been met
- The appropriate paperwork has been completed and submitted to Unum
- Unum has approved the disability request
- Unum will determine your disability benefits based upon the disability and the physician’s diagnosis
VOLUNTARY LIFE AND AD&D

In addition to the College-provided benefits, you may purchase additional or Voluntary Life and Accidental Death and Dismemberment insurance for yourself, your spouse/partner, and your child(ren). You pay the full cost of any voluntary insurance plan coverage, which is deducted from your paycheck on an after-tax basis. In order to purchase spouse and child(ren) coverage, you must enroll in coverage for yourself.

1. You are newly enrolling in coverage above the Guarantee Issue amount.
2. You are increasing current coverage above the Guarantee Issue amount.

An electronic link will be sent to you for you to complete the Evidence of Insurability form. This form is submitted directly to Unum. Rates are determined by your age and the amount of coverage you elect.

WHOLE LIFE INSURANCE

Whole Life insurance can provide financial support for families after the death of a loved one. Coverage is available for your dependents, even if you don’t elect coverage for yourself.

This coverage provides protection for a lifetime, with guaranteed renewal year after year.

If you purchase this coverage, rates will not go up as you age, and coverage is portable, so you can keep it even if you leave the College, as long as you continue making payments to Unum. Whole Life rates will be provided at the time of enrollment.

A new employee may qualify to go directly to the 9% or 11% employer contribution level if the employee had participated in a 401a, 401k, or 403b plan with a previous employer within 6 months of the date of hire with Middlebury AND that previous employer contributed in excess of 3% to the retirement plan. Restrictions apply; See the SPD or contact Benefits for details.

*NOTE: Middlebury Undergraduate College employees hired prior to July 3, 2017 may be eligible for a 15% employer contribution upon reaching age 45.

VOLUNTARY 403(b) PLAN

NEW - AVAILABLE JANUARY 9, 2023: You may make Roth after-tax contributions to the Voluntary Plan!

All employees may save for retirement using the voluntary 403(b) plan. Beginning January 9, 2023, employees may contribute to the 403(b) plan on a pre-tax and/or Roth after-tax basis.

A Roth contribution is taken from your check after you’ve paid income tax on your earnings, so your current taxable income is not reduced. Later, your withdrawal of the Roth contributions and the earnings on them will be tax-free. Consult with TIAA or another advisor if you have any questions about whether Roth contributions are a good option for you.

How Much Can I Contribute?

You may elect any combination of pre-tax and Roth deferrals, up to the allowed IRS maximum for your age.

Note, your mandatory employee contributions to the Core Plan, if any, do not count toward your 403(b) annual IRS savings maximum.

Does Middlebury Contribute to My 403(b)?

No, the 403(b) is for employee contributions only.

When Can I Enroll or Change my Contributions?

You can start, stop or change 403(b) contributions at any time by making a new election in Oracle.

457(b) DEFERRED COMPENSATION PLAN

Certain employees who meet the salary threshold may also be eligible to contribute to the supplemental 457(b) Deferred Compensation Plan. Contact benefits@gmhec.org or 802.443.5485 for details.

HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

Beginning in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Each year, the open enrollment period for health insurance coverage through the Marketplace runs from Nov. 1 through Dec. 15 of the previous year. After Dec. 15, you can get coverage through the Marketplace only if you qualify for a special enrollment period or are applying for Medicaid or the Children’s Health Insurance Program (CHIP).

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5 percent (as adjusted each year after 2014) of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

HOW CAN I GET MORE INFORMATION?

For more information about your coverage offered by your employer, please check your summary plan description or contact Your Benefits Team at benefits@gmhec.org or 802.443.5485.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit Healthcare.gov for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1.877.KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1.866.444.ESBA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility.
