Instructions:

Written on letterhead paper from hospital's/doctor's office:

See a doctor (MD) and they will determine if you are of good health according to the International Health Regulation (2005). This PDF file can be sent electronically in order to be printed out on letter head paper. The doctor may also use this sample as a guide to write their own certificate. Remember that it must specifically mention the International Health Regulations (2005). The doctor should then print out, sign, date and stamp the Medical Certificate.

Written on Template:

This template can also be signed and filled out by the doctor, **with doctor's stamp**; without the stamp, the template is not valid. So if your doctor doesn't have a stamp, in order to be accepted, the doctor must write the information from the template to a letter with a letterhead of the hospital or doctor's office, so it can be accepted at the Consulate (Information provided in first paragraph).

Make sure your name is filled out in both the Spanish and English portions.

Bring the original Medical Certificate and a photocopy to your visa application appointment. We will seal and return your original document so that you can later present it in Spain. We will keep the photocopy to process your visa.
