

Important Health Alert

Have you visited Wuhan City,
China, in the last 14 days and
feel sick with:

Fever, and

Respiratory illness

including cough, shortness of
breath, chest pain, headache, and/
or sore throat?

2019 Novel Coronavirus (2019-nCoV) is a new respiratory virus spreading in the Wuhan area. If you traveled to Wuhan and have these symptoms, please call ahead before visiting your medical provider, urgent care center, or hospital emergency department. Also, please contact the Monterey County Health Department's Communicable Disease Unit at 831-755-4521. For more information about 2019-nCoV, visit <https://www.cdc.gov/coronavirus/2019-ncov/index.html>.
