Authorization
Accepting this acknowledgement is not enrolling in or waiving benefits. I understand that to enroll in benefits I must complete the process within Oracle by clicking submit and viewing the enrollment page. If I have questions I will contact the Benefits Team at 802-443-5485 or <u>benefits@gmhec.org</u> .
Health and Welfare Plan Changes: I understand that I cannot change my health and welfare coverage elections outside of open enrollment or my initial enrollment period unless I experience a change in family status as defined by the IRS as a qualifying life event (marriage, divorce, birth, adoption, etc.). If I enroll in a medical plan with an HSA, I understand I can change the amount of my HSA contribution. I further agree to notify the GMHEC Benefits Team at <u>benefits@gmhec.org</u> or by initiating a life event in Oracle within 30 days of the event that may affect benefits eligibility.
Retirement Benefits Changes: I understand that I may make changes to my retirement contributions throughout the year and they will be effective coinciding with the pay period that I submit the change.
Benefit Dependents: I attest that the person(s) listed and enrolled in my benefits are my dependents as defined in the Middlebury College Health and Welfare Benefit Plan Summary Plan Description. I certify that I can provide proof of dependent status (valid marriage or civil union certificate, civil union certificate, CA domestic partnership registry certificate, birth/adoption certificate, proof of legal guardianship etc.) if requested to do so.
Paycheck Deductions: I hereby authorize Middlebury College to withhold the pre-tax employee portion of the medical, dental, and/or vision premium from my pay. I understand that employee contributions for medical, dental, and/or vision premiums are withheld on a pre-tax basis except those for civil union partners & Registered Domestic Partners, which are subject to federal and FICA taxation, and Non-State Registered domestic partner coverage which is subject to FICA. State, and Federal taxes and that Civil Union and Domestic Partner (CA Registered and Non-State Registered) coverage also result in additional taxable imputed income equal to the Fair Market Value of the employer's contribution to the coverage. Additionally, I authorize Middlebury College to withhold premiums for voluntary coverage elections I make that are not pre-tax.
Flexible Spending Accounts: I understand that by electing to participate in Flexible Spending Account (FSA) options I authorize the adjustment of my annual taxable salary, with the "tax protected" funds being transferred into my FSA(s). I understand that my election cannot be changed during the plan year unless I experience an eligible change in status. I understand my total annual election stated in my enrollment will be divided by the remaining number of payrolls in the calendar year to determine a per pay period amount. I understand that I will have until 90 days following the end of the plan year to submit receipts for reimbursement for services received during the plan year, and that any unused amounts remaining at the end of this claims run out period will be forfeited, per IRS regulations.
Electronic Communication Agreement: I agree to receive electronic communications, notices, and documents related to my benefits in accordance with applicable laws and regulations. I understand that this authorization pertains to all information regarding my benefits, including but not limited to enrollment information, plan updates, coverage details, claims information, Summary Plan Documents, Plan Documents, and relevant correspondence.
