Enrollment by Racial/Ethnic Category.

Provide numbers of undergraduate students for each of the following categories as of the institution's official fall reporting date or as of October 15, 2024.

- Include international students only in the category "Nonresidents."
- Complete the "Total Undergraduates" column only if you cannot provide data for the first two columns.
- Report as your institution reports to IPEDS: persons who are Hispanic should be reported only on the Hispanic line, not under any race, and persons who are non-Hispanic multi-racial should be reported only under "Two or more races."
- New guidance from IPEDS for reporting aggregate data:

Racial/ethnic designations are requested only for United States citizens, residents, and other eligible non-citizens. Eligible non-citizens include all students who completed high school or a GED equivalency within the United States (including DACA and undocumented students) and who were not on an F-1 non-immigrant student visa at the time of high school graduation.

More information about other eligible (for financial aid purposes) non-citizens is available at <https://studentaid.gov/understandaid/eligibility/requirements/non-us-citizens>.

Nonresident - A person who is not a citizen or national of the United States and who is in this country on a student visa or temporary basis and does not have the right to remain indefinitely. Do not include DACA, undocumented, or other eligible noncitizens in this category.

NOTE - Nonresidents are to be reported separately, in the boxes provided, rather than included in any of the seven racial/ethnic categories or in race/ethnicity unknown.

Dual Enrollment: If your institution enrolls high school students in college courses for credit either within a dual enrollment program or outside of a dual enrollment program, you may report the unduplicated count as part of the non-degree-seeking students included in the "Total Undergraduates (both degree & non-degree-seeking)" section.
