ELIGIBILITY

Employees

You are eligible to participate on the first day of the month following your date of employment or classification as an eligible employee. If your first day of employment or benefits eligible classification is the first day of the month your benefits will be effective on that day.

Upon termination or departure from the College, some benefits end on the last day of the month following your last day of employment (medical/dental/vision). Other benefits end on the event date (life/disability/FSA and HSA).

Dependents

Your legally married spouse or domestic partner and/or any biological, adopted, foster or stepchildren, children of a domestic partner, or any child for whom you are court appointed as legal guardian (up to age 26).

For information on domestic partner eligibility, be sure to visit <https://www.middlebury.edu/office/human-resources/self-service-resources/domestic-partner-benefits>.

KEY TERMS TO KNOW

Deductibles are the amount you pay for covered healthcare services before your insurance plan starts to pay.

- **Aggregate deductible** - All medical and pharmacy claims for a +1 or Family apply towards the same deductible and out of pocket max. There are no individual limits.
- **Stacked Deductible** - Individual medical and pharmacy claims are applied towards the individual deductible and out of pocket max regardless of +1 or Family enrollment.

Copayments (copays) are the fixed dollar amounts you pay for covered healthcare, typically at the time of service.

Coinsurance is the percentage of costs of a covered healthcare service that you pay (20%, for example) after you've paid your deductible.

Generic drugs contain the same active ingredients as brand-name drugs, but generally are less expensive.

Preferred brand drugs are brand-name drugs that are listed on the plan's preferred list of prescription drugs.

Non-preferred brand drugs are brand-name drugs that are not included on the plan's preferred list of prescription drugs. These may not be covered under the plan.

Specialty drugs are used to treat certain complex health problems. These drugs tend to be very expensive.

Preferred Provider Organization (PPO) plan provides coverage to participants through a network of selected healthcare providers (such as hospitals and physicians). The enrollees may go outside the network, but may incur larger costs.

High Deductible Health Plan (HDHP) combines traditional medical coverage and a tax-advantaged Health Savings Account (HSA) to help save for future medical expenses.

WHEN CAN YOU MAKE CHANGES TO BENEFITS?

Generally, changes are only allowed under the following circumstances:

Annual Open Enrollment Period

Once a year we conduct an Annual Open Enrollment in the fall. During this time, you can add or drop benefit plans, enroll in an FSA or HSA, and add or remove dependents from your coverage for the coming plan year.

Qualifying Life Events - Change in Status

Outside of the Annual Enrollment period, you may change your benefit elections during the year only if you experience a Qualifying Life Event. Below are examples of life events that may allow you to make a change.

Medical Overview

Middlebury College offers employees the choice of three medical plans through Cigna: the Platinum Plus Plan, the Gold Plan, and the Silver Plan. The Platinum Plus and Gold Plans are sometimes referred to as low deductible plans which cost more per paycheck, while the Silver Plan is a High Deductible Health Plan (HDHP) with a Health Savings Account and a lower per paycheck cost. All of our medical plans include 100% coverage for preventive care services in the Cigna Network. See the information below which outlines how the plans work and refer to the comparison chart to see how certain common services are covered.

Silver Plan (Panther)	Gold Plan	Platinum Plus Plan (PPO)
-----------------------	-----------	--------------------------

You pay nothing for **in-network preventive care** for you and your covered dependents.

Comes with a College-funded Health Savings Account. Middlebury College will contribute \$1,000* for individual coverage or \$2,000* for 2-Person and family coverage.

Does not come with a College-funded Health Savings Account.

You pay **100%** for your non-preventive medical care until the plan's deductible is met. **You can use HSA funds to pay these expenses.**

Certain in-network medical services (like office visits) are not subject to the plan's **deductible**. Coinsurance will apply right away for these services.

Certain medical services (like office visits) are not subject to the plan's **deductible**.

You pay **100%** for your prescriptions until the plan's deductible is met. **You can use HSA funds to pay these expenses.**

Prescription drugs are not subject to the plan's **deductible**. Coinsurance applies right away.

Prescriptions are covered with a flat **copay**.

AGGREGATE DEDUCTIBLE: Full single or entire family deductible must be met before claims are paid. Those enrolled in two-person plan must meet the family deductible.

STACKED DEDUCTIBLE: Individual medical and pharmacy claims are applied towards the individual deductible and out of pocket max regardless of +1 or Family enrollment. Once individual deductible is met Plan coinsurance will apply.

Cigna's **Telehealth Connection** is covered at a low cost per visit.

Other medical services (like hospital stays) are covered at 80% after the plan's deductible has been met.

After the plan's **deductible** has been met, eligible in-network medical expenses are covered at 80%.

If your out-of-pocket costs reach the annual maximum, the plan pays 100% for eligible care the remainder of the plan year.

*HSA contribution amounts are prorated for participants joining the plan part way through the year.

Empowering Your Healthcare Engagement

UNDERSTANDING SELF-INSURED HEALTH INSURANCE AND EMPOWERING YOUR HEALTHCARE ENGAGEMENT

Our CIGNA self-insured health insurance plans are designed to empower you to make informed healthcare decisions. Our plans promote accountability, healthcare engagement and cost containment, benefiting employees, their families and the College.

HOW SELF-INSURED PLANS WORK

Employer Responsibility: Middlebury College, the employer, assumes the financial risk for medical claims. The College develops the plan designs.

Employee Contributions: Your premium contributions go towards a fund for paying medical claims.

Cost Containment: Every dollar saved on claims contributes to better benefits and/or reduced costs in the long term.

Cost Transparency: Take advantage of tools to support your decision making. For our Cigna members, check out [this video](#) developed by our Cigna Engagement Specialist. It will walk you through all the cost comparison/cost containment tools available to help you make the most informed and financially sound decisions.

ACCOUNTABILITY AND CONSUMERISM

In-Network vs. Out-of-Network: Utilizing in-network providers lowers costs for you and the College. Find in-network providers at myCigna.com.

Cost Comparison Tools: Access online tools to compare prices and quality ratings of medical services.

Second Opinions: Encouraged for major procedures to ensure the best treatment options.

Preventive Care: Covered at 100% to promote early detection and reduce long-term costs.

Well-being Programs: Engage in programs that focus on healthy habits, earning rewards.

Consider Pre-tax savings:

- **HSAs:** For high-deductible plans, contribute tax-free to cover healthcare expenses.
- **FSAs:** Set aside pre-tax funds for qualified healthcare expenses.

CLAIM PROCESS

There are two ways claims are initiated:

DIRECT BILLING	EMPLOYEE CLAIMS
Most in-network providers submit claims directly to the insurance company.	For out-of-network or non-participating providers, you may need to submit claims yourself.

Claims are processed according to plan documents and designs as determined by the College.

TRANSPARENT BILLING

Explanation of Benefits (EOB): Receive detailed EOBs to understand costs, benefits and any balance due.

Questions: Reach out to Cigna to better understand billing or coverage. You may also reach out to Your Benefits Team if you have any billing or coverage questions.

PRESCRIPTION COVERAGE

Formulary: Prescription drugs are organized into tiers, which categorize medications based on their cost and therapeutic value. Our formulary is structured with 3 tiers:

TIER 1	TIER 2	TIER 3
Typically Generics (lowest cost medication)	Typically Preferred Brands (medium cost medication)	Typically Non-Preferred Brands (highest cost medication)

Specialty medications can be in any of the 3 tiers; however, they are usually found in tier 2 or tier 3.

Empowering Your Healthcare Engagement

ANNUAL CHECKUPS

Important: Schedule regular checkups to monitor your health and catch issues early.

Coverage: These checkups are usually covered by insurance at 100% when visiting an in-network provider.

SELF INSURED PLAN

Our self-insured health insurance plan empowers you to take control of your healthcare decisions and costs. By becoming informed consumers, we collectively contribute to better benefits and/or cost containment. We're here to support you on your healthcare journey.

ENGAGING YOUR HEALTHCARE JOURNEY

Take Charge of Your Health:

- **Make Informed Decisions:** Stay informed about your health insurance through workshops and online resources.
- **Ask Questions:** Reach out to our dedicated support team for assistance and guidance.

ID CARD

Cigna provides Digital ID cards, similar to how travelers often have digital boarding passes or tickets. Digital ID cards allow access to plan coverage details more easily, and they are more conveniently available at your fingertips when needed.

On or after the coverage effective date, members may access ID cards through myCigna.com and the [myCigna App](#). Both the website and app offer convenient, timely access to ID cards, as well as many other features to help manage health and savings.

Use the digital ID cards in the same way physical ID cards are used.

- On myCigna.com, view, print or request a mailed card.
- On the [myCigna App](#) view, print, share (via text, email and AirDrop) or save an image of your digital ID card(s).

Is your doctor or hospital in the Cigna network? Cigna's online directory makes it easy to find who (or what) you're looking for.

HOW TO SEARCH CIGNA'S NETWORK

1. If you're already a Cigna customer, log in to myCigna.com or the myCigna® app to search your current network.

If you are not a current customer, or would like to search other networks, go to myCigna.com, and click on "Find a Doctor" at the top of the screen. Then, under "Not a Cigna Customer Yet?" select "Plans through your employer or school."

2. Enter the location in which you want to search.
3. Optional – Select one of the plans offered by the College.
4. Type in who or what you are looking for. Or browse the A-to-Z glossary of providers and procedures or keywords option.

No need to leave your home or office ... and no appointment is necessary!

A SMART AND AFFORDABLE CHOICE FOR QUICK CARE

Using Cigna's Telehealth Connection can help get you the doctor visit and prescription you need, while also saving you time and money.

It's a great tool for when:

- You are traveling
- Your dependent is traveling or away at school
- You need help after hours or on the weekend
- Anytime you can't get in to see your regular provider

Some of the most common uses include:

- Cold and flu symptoms such as cough, fever, earaches and headaches

- Fever
- Bladder infections, UTIs
- Pink eye

CIGNA VIRTUAL CARE FOR BEHAVIORAL HEALTH

Life is demanding. That's why your health plan through Cigna includes access to minor medical and behavioral/mental health virtual care.

Whether it's late at night and your therapist isn't available or you just don't have the time or energy to leave the house, you can:

- Schedule a behavioral/mental health virtual care appointment online in minutes
- Connect with quality, licensed counselors and psychiatrists
- Have a prescription sent directly to your local pharmacy, if appropriate

IT'S SIMPLE TO USE

1. Download the myCigna® app
2. Log in with your Cigna username and password
3. Tap "Find Care" at the bottom of your screen
4. Tap Cigna Telehealth Connection, then choose MDLive

GO AHEAD AND SIGN UP TODAY!

No one plans to get sick ... it seems to happen out of nowhere! That's why we highly encourage you to download the MyCigna® app now, before you need it, and get signed in so that when you need to use the Telehealth Connection services, all you need to do is connect through the app.

One important thing to understand is the difference between Telehealth and Telemedicine. **Telehealth** (MDLive) is not a visit with your doctors, it is a visit with board certified physicians available through Cigna's MD Live network.

Telemedicine is the tagline used when you see your doctor via secure video conference or phone, but not in person. A Telemedicine visit follows the same cost structure as an in-person visit.

Managing Your Health Savings Account

A Health Savings Account, commonly known as an HSA, is an individual account you can open, add money to and spend on eligible healthcare expenses. The HSA is only available to employees who have elected the Silver high deductible medical plan.

HSA BASICS

An HSA is unique because you own the account and control how the money is spent. Unused funds roll over from year to year. Contributions can be made with pre-federal tax and pre-state* tax dollars through payroll deduction. The money in the account can be invested and for federal and state* tax purposes earnings and capital gains are not taxed. Withdrawals to pay for qualified medical, dental, and vision expenses are not taxed either!

**CA and NJ do not grant HSAs the same tax advantages that federal law and other states provide. The employer's contribution, your contribution and any taxable earnings within your HSA will generally be subject to state income tax, if you are required to file a CA or NJ state income tax return. Consult your tax advisor for specifics.*

SETTING UP YOUR HSA

 If you are eligible for an HSA Account (by electing the Silver HDHP with HSA medical option), you will receive a Welcome Kit at your home address with registration information. We partner with HealthEquity to administer our employees' Health Savings Accounts.

If you currently have an HSA through Middlebury, you do not need to set up a new account. Remember to review and update your employee pre-tax contribution in Oracle each year. A new debit card will not be issued unless your current card expires.

EMPLOYER CONTRIBUTIONS

The College's Contribution will be deposited into your HSA each pay period.

ADDING MONEY

The IRS sets the annual dollar maximum that can be made to an HSA depending on if you are enrolled in a qualified high deductible health plan. Coverage of two or more people is considered family coverage. People who are age 55 or older can make additional catch-up contributions.

IF YOU ENROLL IN THE 2025 HDHP WITH HSA PLAN DURING OPEN ENROLLMENT*			
SILVER PLAN	TOTAL IRS LIMIT	EMPLOYER CONTRIBUTION	YOU CAN CONTRIBUTE
Employee Only	\$4,300	\$1,000	\$3,300
EE+1/Family	\$8,550	\$2,000	\$6,550
55+ Catch Up	\$1,000	N/A	\$1,000

**Amounts are prorated for participants joining the plan part way through the year.*

USING HSA MONEY

HSA money can be used tax-free for any eligible medical, dental or vision expenses. If you pay out of pocket for an eligible expense, you can reimburse yourself from your HSA by filing a claim online.

Once you turn age 65, you may use your HSA money for any expense, medical or not, but you will pay income taxes on those non-medical expenses.

Distributions made for any non-qualified medical expenses are subject to income tax and a 20% penalty. The 20% penalty is waived in the case of death or disability.

MANAGE YOUR ACCOUNT ONLINE

At my.healthequity.com, you can:

- Check your account balances

Remember, it is important to keep your beneficiary information up-to-date. Please be sure to verify or update this information each year using the HealthEquity website. Examples of when you may want to update your beneficiaries are birth, adoption, marriage, or divorce.

Supplementing Your Medical Plan

Our medical plans provide great coverage for your health needs, but an unexpected injury or illness can mean unexpected bills that you didn't plan for. That's where supplementing your insurance with our voluntary plans can help. If you experience a covered condition, you'll receive a cash reimbursement benefit to help offset your out of pocket expenses.

CRITICAL ILLNESS INSURANCE

If serious illness strikes, Unum's Critical Illness Insurance provides cash to help with the extra expenses associated with your treatment and recovery. If you elect this coverage and are diagnosed with a covered illness, you get a lump-sum cash reimbursement payment — even if you receive benefits from other insurance. You may purchase critical illness insurance coverage for your spouse up to 50% of the amount of coverage you enroll in for yourself.

Coverage Amounts

- Employee – Choose \$10,000, \$20,000 or \$30,000
- Child – All eligible children are automatically covered at 50% of the employee benefit amount (no additional cost)
- Spouse – Choose \$5,000, \$10,000 and \$15,000 (must also purchase employee coverage)

Covered illnesses include (but are not limited to):

- Heart Attack
- End Stage Renal (Kidney) Failure
- Stroke
- Coronary Artery Bypass Surgery
- Major Organ Transplant
- Cancer
- Benign brain tumor
- Blindness
- Progressive Diseases such as Dementia or Parkinson's
- Supplemental Conditions such as Coma or Permanent Paralysis

Wellness Benefit

You can receive a wellness benefit of \$50, \$75 or \$100 per calendar year per person covered under the Critical Illness plan if a covered health screening test is performed.

These wellness benefits are based on the employee coverage amount that is selected. Contact Unum at **800.635.5597** to inquire about claiming your wellness benefit.

Critical Illness Insurance Rates

Rates are based on you and your spouse's age and coverage amount elected. Review the rates listed in Oracle as you make your elections.

ACCIDENT INSURANCE

The Accident Insurance plan provides benefits to help cover the costs and out-of-pocket expenses associated with your treatment and recovery from an accident. When a covered accident occurs, the last thing you should have to worry about is paying for the charges that may be accumulating while you're not at work.

Examples of Covered Injuries*

- Broken bones
- Burns
- Torn ligaments
- Concussions
- Eye injuries
- Ruptured discs
- Lacerations

**Exclusions and limitations may apply; refer to plan documents for full list*

Flexible Spending Accounts (FSAs)

HEALTHCARE FSA

A Healthcare Flexible Spending Account (FSA) allows you to set aside money from your paycheck before income taxes are withheld. This money is available to pay for eligible medical, dental, and vision expenses, such as copayments, deductibles, eyeglasses, contact lenses and other health-related expenses that are not reimbursed by insurance.

LIMITED PURPOSE FSA (HDHP PARTICIPANTS ONLY)

If you or your spouse are enrolled in a High Deductible Health Plan, you may only enroll in a Limited Purpose FSA. You may use these funds to pay for eligible dental and vision expenses, preserving the money in your HSA for medical expenses. If you were previously enrolled in a Healthcare FSA and switch to a HDHP, your Healthcare FSA funds eligible for rollover will move into a Limited Purpose FSA and qualify for dental or vision reimbursement.

HOW IT WORKS

You decide how much to contribute to your Healthcare or Limited Purpose FSA each year. In 2025 participants may contribute up to \$3,300.* Your annual election will be divided by the number of pay periods and deducted evenly on a pre-tax basis from each paycheck throughout the plan year.

Rollover

FSA plans allow up to a certain dollar amount to rollover from year to year. At the time of Open Enrollment, the IRS has not announced the rollover limit for next year. In 2025 participants may rollover \$660* of unused funds into 2026.

**The IRS reviews flexible spending limits each year*

CLAIMS REIMBURSEMENT

You can access your FSA funds through the plan administrator's website at naviabenefits.com. Learn more about managing your account on the next page.

DEPENDENT CARE FSA

The Dependent Care FSA allows you to set aside money from your paycheck on a pre-tax basis for child care expenses to allow you and your spouse to work or attend school full-time. Eligible dependents are your tax dependent children under 13 years of age or a child over 13, spouse or elderly parent residing in your home, who is physically or mentally unable to care for themselves.

How Much Can I Contribute to a Dependent Care FSA?

Under the Dependent Care FSA, if you are married and file a joint return, or if you file a single or head of household return, the annual IRS limit is \$5,000*. If you are married and file separate returns, you can each elect \$2,500* for the plan year. You and your spouse must be employed or your spouse must be a full-time student to be eligible to participate in the Dependent Care FSA.

Eligible Expenses

Some examples of eligible Dependent Care expenses include day care facility fees, before and after school care, in-home babysitting fees (income must be reported by your care provider on their tax return) and elder care.

Things to Consider Before You Contribute to A Dependent Care FSA

- You cannot take income tax deductions for expenses you pay with your Dependent Care FSA.
- You cannot stop or change contributions to your Dependent Care FSA during the year unless you have a change in status consistent with your change in contributions.
- Claims for the previous calendar year must be submitted for reimbursement by March 31.

FSA Carryover / Runout

- **FSA Carryover = \$660 from 2025 into 2026.**
- **Members have up to 90 days after end of plan year to submit FSA claims incurred in the prior year**
- **There is no carryover for Dependent Care Accounts.**

ACCESS YOUR FUNDS WITH YOUR FLEX CARD

Navia will issue you a debit card. It can be used to pay for eligible FSA and Dependent Care expenses.

IMPORTANT: FSA claims need to be substantiated and therefore you should save all receipts from flexible spending transactions.

If you choose not to use your flexible spending card you may use the app or send in paper claims forms with the proper documentation for reimbursement.

BASIC LIFE AND AD&D

For eligible employees, the College pays 100% of the cost of Basic Life insurance and Accidental Death & Dismemberment (AD&D) insurance through Unum.

COVERAGE TYPE	BENEFIT AMOUNT*
Term Life Insurance	Basic Life Insurance amount ("principal sum") is 1.5x annual earnings up to \$600,000
Accidental Death and Dismemberment Insurance (AD&D)	AD&D Insurance amount ("principal sum") is 1.5x annual earnings up to \$600,000

* At age 70, benefits reduce to 65% of covered amount.
At age 75, benefits reduce to 50% of covered amount.

The Basic Life and AD&D benefit premiums are paid by the College, however, the imputed cost of coverage is taxable under federal law. FICA, state and federal taxes based on the imputed cost of coverage over \$50,000 is determined by using an IRS chart with your age and the dollar amount, and withheld from pay.

In most cases the tax you pay on the benefit is much less than it would cost you to purchase the insurance on your own.

SHORT-TERM DISABILITY

Short-Term Disability (STD) provides you with income when you are unable to work due to an illness, injury, or maternity. This coverage is paid for by the College and all claims are administered by Unum.

BENEFIT DETAILS

Up to 60% of bi-weekly earnings
(less state disability, if any)

Short-Term Disability benefit payments are made through payroll, which means your normal benefit deductions will still occur. Short-Term Disability benefits may begin once:

- An individual has been out for 14 consecutive days for an illness or injury (this is called the elimination period)
- The appropriate paperwork has been filed with Unum
- Unum has approved the illness or injury as a disability

Unum will determine your benefit based upon your disability and the physician's diagnosis. After a two-week elimination period STD pays 60% of pre-disability wages for up to 24 weeks.

LONG-TERM DISABILITY

Long-Term Disability (LTD) provides you with income when you are unable to work due to a disability. This coverage is provided to you by the College at no cost to you. All claims are administered by Unum. LTD payments are 60% of wages up to \$10,000 per month. Unlike Short-Term disability, payments are made directly to you by Unum.

Long-Term Disability will begin once:

- The elimination period of 180 days (length of STD) has been met
- The appropriate paperwork has been completed and submitted to Unum
- Unum has approved the disability request
- Unum will determine your disability benefits based upon the disability and the physician's diagnosis

Saving for Retirement

CORE RETIREMENT PLAN 401A

Participation in the Core Retirement Plan is a mandatory condition of employment for benefits eligible employees age 21 and older. Your contribution level and the College's generous contribution change over time. See the chart below.

Employee contributions in the mandatory Core plan are made on a tax-deferred basis. There is full and immediate vesting of all employee and employer contributions. Investments default into an age-based TIAA Life Cycle Fund. Employees can manage their own investments and choose from a variety of mutual funds as well as fixed and variable annuities. For more details, visit www.tiaa.org/public/tcm/middleburycollege.

CORE PLAN CONTRIBUTIONS			
YEARS OF SERVICE	EMPLOYEE AGE	EMPLOYEE CONTRIBUTION	EMPLOYER CONTRIBUTION
Less than 2	21+	3%	3%
2 or more	21-44	3%	9%
2 or more	45+	6%	11%*

Special rules apply for rehires and for employees who incur a break-in-service. See the SPD or contact Benefits for details.

A new employee may qualify to go directly to the 9% or 11% employer contribution level if the employee had participated in a 401a, 401k, or 403b plan with a previous employer within 6 months of the date of hire with Middlebury AND that previous employer contributed in excess of 3% to the retirement plan. Restrictions apply: See the SPD or contact Benefits for details.

**NOTE: Middlebury Undergraduate College employees hired prior to July 3, 2017 may be eligible for a 15% employer contribution upon reaching age 45.*

VOLUNTARY RETIREMENT PLAN 403B

All employees may save for retirement using the Voluntary Retirement Plan. Participants may contribute to this 403(b) plan on a pre-tax and/or Roth after-tax basis. A Roth contribution is taken from your check after you've paid income tax on your earnings, so your current taxable income is not reduced. Later, your withdrawal of the Roth contributions and any investment earnings will be tax-free. Consult with TIAA or another advisor if you have any questions about whether Roth contributions are a good option for you.

How Much Can I Contribute?

You may elect any combination of pre-tax and Roth deferrals, up to the allowed IRS maximum for your age. In 2025, the contribution limit is \$23,500. For those age 50 or older the limit is \$31,000.

Note, your mandatory employee contributions to the Core Plan, if any, do not count toward your 403(b) annual IRS savings maximum.

Does Middlebury Contribute to My 403(b)?

No, the 403(b) Plan allows employee contributions only.

When Can I Enroll or Change my Contributions?

You can start, stop or change 403(b) contributions at any time by making a new election in Oracle. Elections are effective in the pay period during which the change is made.

457(B) DEFERRED COMPENSATION PLAN

Employees with salaries above a certain threshold may also be eligible to contribute to the supplemental 457(b) Deferred Compensation Plan. Email benefits@gmhec.org or call **802.443.5485** for details.

The plan offers a variety of investment options to meet the needs of employees at all career stages. You can choose from equity, balanced, stable value, target date and other funds - 19 in all. If you don't make investment elections, your contributions will default into an age-based Nuveen Lifecycle mutual fund. Experienced investors may be interested in opening a self-directed brokerage account within the Plans.

HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

Beginning in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options in your geographic area.

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit,

and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12% of your annual household income, or if the coverage through your employment does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

HOW CAN I GET MORE INFORMATION?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact Your Benefits Team at benefits@gmhec.org or 802-443-5485.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility.
