Hey! My name is Amna Mohammed (She/Her). I am a rising sophomore, majoring in Neuroscience and minoring in French. I call home Toronto in Canada. Welcome to Middlebury! Starting a new chapter of your life in a new place can feel exciting and overwhelming. As someone who recently had to make such a big change, I'm here to help make this transition as smooth and enjoyable as possible. Middlebury has a way of becoming more than just a new place; it's a new home where you can find friends, learn who you are, and try things you've always wanted to do. I can't wait to meet you, hear your stories, and support you as your PAL leader on this incredible journey. Here's to an amazing start at Midd!

On campus, I'm involved in The Women's Network, Community Friends, Active Minds, Rugby, Muslim Student Association, Scott Center Student Fellowship, South Asian Student Association, HHMI Scholar, Wily Scholar, ISSS PAL Leader, and CBRT Advisory Team. Let me know if you have any questions about getting involved!!

Valeriia Dudiak ('27.5)

Welcome International Febs! My name's Valeriia and I'm excited to meet you all very soon. I'm in my second year at Middlebury and planning to major in International Politics & Economics. I'm from Ukraine, born and raised in the small city Sambir. Before coming here, I did 2 years in a boarding school in California (nope, not UWC ha-ha). For my Febmester, I volunteered at home, learned how to drive a manual car, and did Erasmus+ course.

On campus I'm involved with the United for Ukraine club, SPECS, Language in Motion and Rohatyn Global Fellows, so feel free to ask me anything about extracurriculars and student life during the orientation. See you all soon!

Hi Everyone 🤍, Welcome to Middlebury!!

My name is Yasmina. I am a rising Sophomore majoring in Economics and Spanish. I am from Morocco. Being part of the International Pre-Orientation program has long been a dream of mine. I know what it feels like to be in a completely new place with a whole new chapter awaiting you, so I would love to welcome, support and guide Midd Kids just as I was supported and welcomed several months ago.

I hope that new Midd Kids can find the same warmth and comfort they left at home. I am so excited to meet you all and welcome you to Middlebury. Please feel free to contact me with any questions.

Hi everyone, Welcome to Middlebury! My name is Yoyo. I'm a rising sophomore with an intended major in History. I am from Shanghai, China.

The International Pre-Orientation is one of my favorite memories of Middlebury and I hope you will enjoy it too. This is when you will discover the campus, embark on your academic journey, and make friends! It's cold here with all the snow, so remember to pack your warm clothes. Looking forward to seeing you all in February!
