

# Know your medication costs before you fill.

Use the Price a Medication tool on myCigna.

Log in to the **myCigna® App**<sup>1</sup> or **myCigna.com**<sup>®</sup> and use the Price a Medication tool to see how much your medication costs before you get to the pharmacy counter – or, even before you leave your doctor’s office.

## Know before you go, with the Price a Medication tool.

Compare the price of your medication at in-network retail pharmacies and through Express Scripts<sup>®</sup> Pharmacy<sup>2</sup> and Accredo<sup>®2</sup>.

- See which medications your plan covers
- Find lower-cost alternatives that can be used to treat the same condition (if available)<sup>3</sup>
- See your costs for a 30-day and 90-day supply (depending on what your plan allows)
- Find out if your medication needs approval before your plan will cover it

## Shop wisely. Your medication may cost less at a different pharmacy.

Not all pharmacies charge the same amount for medications. When you and your doctor are considering the right medication for your treatment, knowing how much the medication will cost you to fill, what lower-cost alternatives may be available and which pharmacies offer the best prices can help you save money.

1. App/online store terms and mobile phone carrier/data charges apply. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com.

2. Not all plans offer Express Scripts<sup>®</sup> Pharmacy or Accredo as covered pharmacy options. Log in to the myCigna App or myCigna.com, or check your plan materials, to learn more about the pharmacies in your plan’s network. Cigna Healthcare maintains an ownership interest in Express Scripts<sup>®</sup> Pharmacy’s home delivery services and Accredo’s specialty pharmacy services. However, you have the right to fill prescriptions at any pharmacy in your plan’s network. You won’t be penalized regardless of where you fill your prescriptions.

3. Prices shown on myCigna are not guaranteed and coverage is subject to your plan terms and conditions. Visit myCigna for more information.
