

Applying for an I-20

To enter the United States in a status that allows for study, non-U.S. citizens and non-Legal Permanent Residents of the U.S. must obtain a Form I-20 (Certificate of Eligibility for Non-immigrant (F-1) Student Status) issued from the Student Exchange Visitor Information System (SEVIS). This form makes you eligible to apply for an F-1 visa.

For Middlebury College to issue your Form I-20, you must complete the Academic Year I-20 Application webform available on the ISSS website. More information is available at our ISSS "Student Visa Information" website: <https://www.middlebury.edu/office/international-student-and-scholar-services/students/student-visa-information>. In addition, ISSS will notify deposited international students when the I-20 application period opens in late spring and application instructions will be provided at that time.

Please note: **Citizens of Canada and Bermuda** need an I-20 and a valid passport; they do NOT need to apply for a visa at a U.S. Consulate. Instead, these citizens only need to present their valid I-20 and passport at the U.S. port of entry at a U.S. border to enter the country in F-1 status.

If you are a non-U.S. citizen or non-U.S. Legal Permanent Resident and do not need an I-20 or F-1 visa, please notify ISSS. If possible, and if you have not done so already, please provide ISSS with a copy of any pertinent visa status or immigration documents via our secure [Document Submission form](#) so we can update your records.

If you are currently (or recently finished) studying in the U.S. in F-1 status, please contact ISSS before submitting your I-20 application, as special procedures (a SEVIS transfer process) will apply for your situation.

Once ISSS is ready to launch the visa application process for your cohort, ISSS will send an email to international students who have submitted their enrollment deposit. International students must then submit the I-20 application with the required financial documentation to ISSS. We encourage you to follow the I-20 instructions very carefully and submit your documents as early as possible. ISSS strives to issue I-20s within 3 weeks of receiving a completed I-20 application once we are in document production mode for your program.

September Entrants: Please submit your completed I-20 application ideally **by June 1** or as soon as possible thereafter. We typically begin issuing I-20s for this entry group in late May/early June.

February Entrants: Please submit your completed I-20 application ideally **by November 1** or as soon as possible thereafter. Our goal is to begin issuing I-20s for new Feb/spring semester students by early December.

When ISSS provides the Middlebury College I-20 to you, we will provide specific instructions about next steps. Our email will also include guidance about how to pay your I-901 SEVIS Fee (at least 3 days before your visa interview) and schedule a visa appointment at a U.S. embassy or consulate (ideally in your home country).

In the meantime, we recommend that you check the website of the U.S. Consulate nearest you to learn more about the visa application process, including the process for making an appointment. For visa application guidance and wait times for obtaining a nonimmigrant student visa in your country, please see: <https://travel.state.gov/content/travel/en/us-visas/visa-information-resources/wait-times.html>.

Please note: While you may receive your F-1 visa 2-3 months prior to your program start date, **you may enter the U.S. in that visa status no more than 30 days before your program start date. Plan travel accordingly.**

Upon receiving your I-20 from Middlebury College, plan to apply for a visa as soon as possible. Applying for a visa can take one month or more, depending on the country. If the consular officer subjects you to administrative processing, expect to experience a long delay (usually ≥ 30 days or more). **If you are unable to obtain a visa in time to arrive in Middlebury by your intended start date, alert ISSS as soon as possible because you may need to request a deferral to a future academic term.**

I-20 Application Instructions

For Middlebury College to produce your I-20, you must submit the following four items:

1. **A completed Middlebury College I-20 Application Form for Academic Year students** located on the ISSS website at <https://www.middlebury.edu/office/international-student-and-scholar-services/forms-and-resources> under the New International Students heading. Carefully read the I-20 Instructions first. You will need to have scanned copies of your financial documents and passport ID page to upload as part of the online submission process. Please have all materials ready to upload when you begin the I-20 Application process, as you will not be able to save your progress on this form to return to at a future time.
2. **Copy of your passport identification page** showing name, photo, date of birth and passport expiration date.
3. **Financial Documentation.** U.S. immigration law requires official certification that you have the necessary financial resources to pay for your tuition and living expenses for your first academic year in the U.S. Financial documentation includes a bank letter or statement and a financial sponsor letter, which must meet specific guidelines. The guidelines are included below, under each financial document requirement. Please adhere to these details to avoid unnecessary delays in the processing of your I-20.

If more than one person is providing funds, submit a bank document and financial sponsor letter for each person.

3a. Bank Statement or Letter. Electronic copies accepted.

The statement must:

- *Be dated on or after **March 1 for September entrants.** (February entrants: dated on or after **August 1.**)*
- Include the account holder's name.
- Indicate the type of account. **Funds need to be immediately available to the student, such as in a checking or savings account. Investments or restricted assets cannot be used to show financial support. (Certificates of Deposit need to mature and be available on or before program start date.)**
- Indicate the balance of the account(s) from where the financial support will come.
- Indicate the currency of funds, preferably in U.S. dollars (US\$).
 - If your bank cannot issue the letter with a currency conversion, the document must clearly state the currency of funds listed.
- Be stamped with the bank seal, if available.
- Be written in English or have an official word-for-word English translation attached.
- Show available funds to pay the cost of your first year of education.
 - **If you receive financial aid from Middlebury College, the bank letter must show funds to cover your family's expected cost (i.e., Estimated Family Contribution or EFC) as listed on your Financial Aid Notification.**
 - **If you do not receive financial assistance from Middlebury College, the bank letter must show at least \$85,880 to cover the estimated cost, without travel.** *(Transportation is an additional cost that varies based on the location of the student. Families should anticipate that expense.)*

If submitting a letter instead of a bank statement, **in addition to including the requirements above, it must:**

- Be on official bank letterhead.
- Be signed by an official of the bank.

If you anticipate difficulty being able to obtain the required financial documentation, contact ISSS.

Special Note: If you indicated in your application to Middlebury that you did not intend to apply for need-based financial aid, please be aware that financial aid will not be available for you during your four years at Middlebury, even if your family's circumstances change. Your acceptance letter also refers to this.

February Entrants: If you receive financial aid, your Financial Aid Notification shows Spring Term amounts only. To issue an I-20, we must see proof of funds to pay the costs for a **full academic year**. Therefore, you must show documentation for double the amount of your family contribution on your Financial Aid Notification.

3b. Signed Financial Sponsor Letter. Electronic copies accepted.

The person(s) in whose name the bank funds are held (i.e., the account holder) must submit a letter that:

- Declares that, as your financial sponsor, they will **cover the costs of the first year of your education with funds shown** in the bank letter or bank statement, and they **intend to pay the costs of your entire enrollment at Middlebury**; (please ensure to include this sentiment in the letter as bolded above)
- Refers to the relationship (parent, relative, etc.) between the financial sponsor and you;
- Is written in English or has an official English word-for-word translation included with it;
- Includes the account holder’s original signature (not a digital signature) and date it was issued/signed.

To submit the online I-20 Application Form, first find the I-20 Application under “New International Students” at this link - <https://www.middlebury.edu/office/international-student-and-scholar-services/forms-and-resources> . Then submit the I-20 Application form along with the required financial documentation and passport ID page as early as possible, and ideally, by **June 1** for September entrants (and by **November 1** for February entrants).

Keep copies of all financial aid and related documents submitted to Middlebury College with this application. The U.S. Consulate may ask you to present this documentation when you apply for your visa, and in some cases, you may be asked to show them to the U.S. Department of Homeland Security when you enter the U.S.

Cost Overview. Middlebury College bases its estimated total cost of attendance on the following calculation:

Estimate of student expenses for 2023-2024	Academic Year (September–May)
✓ Tuition & Fee (tuition & student activity fee)	\$65,280 (\$64,800 + \$480)
✓ Living Costs/Room & Board	\$18,600
✓ Books, Course Materials, and Supplies	\$1,000
✓ Personal Expenses	\$1,000
ESTIMATED TOTAL COST	\$85,880

REMINDER: Students who receive Middlebury College financial aid will show funding to meet their EFC—Estimated Financial Contribution and not the full amount listed here.

Additional Expenses. Students may need to consider the following additional expenses:

- **Health Insurance:** If you do not have health insurance with a U.S. based provider that is comparable to the plan offered by Middlebury College, then you will need to purchase the insurance provided by [Gallagher Student Health and Special Risk](#). The insurance plan cost for next year will be confirmed by June. We estimate that the amount will be \$3,322 for the year.
- **Taxes & Tax Liability:** Students who receive awards, significant financial aid and/or earn income through authorized employment must file an income tax return each year. Tax liability often exceeds \$500 per year.
 - For tax-related questions, contact the Middlebury Tax Office at middleburytaxoffice@middlebury.edu.
 - For financial aid questions, please contact Student Financial Services at sfs@middlebury.edu.

- **Official College Breaks: Travel and Lodging**

The College campus is closed for December recess each year, at which time all students must depart. All College services close, including the dining halls and libraries. *Any food, lodging or related expenses will be your responsibility.*

Residence halls typically close at noon the day after fall term final exams end and reopen two days before winter term begins. It may be possible for students to submit a request (evaluated on a case-by-case basis) to Residential Life for consideration to remain on campus.

Other breaks include Thanksgiving holiday weekend (November), spring recess (March), and summer break (June, July, August).

For a list of important dates, please see the College's academic calendar at

<https://www.middlebury.edu/college/academics/academic-calendars#section-2023%E2%80%932024-academic-calendar-tentative>.

While ISSS is here to assist you, remember that you are responsible for completing all the necessary steps to obtain the documents you need to enter the U.S. to begin your studies at Middlebury College.

If you have questions about this process, please contact International Student and Scholar Services:

Email: iss@middlebury.edu or Phone: +1 (802) 443-5858
