## BEFORE YOU ENROLL, UPDATE BENEFICIARIES AND DEPENDENTS

Collect your dependents’ information if you intend to add them to your plans or name them as beneficiaries. You’ll need full names and dates of birth.

1. Click **Add** to add each individual you intend to add as a dependent on your insurance plans and/or name as a beneficiary on your life insurance.
   - Enter required information.
   - Important: In the *What’s the start date of this relationship?* box, enter a birthday or anniversary date prior to your benefits effective date.

ELIGIBILITY

Employees
You are eligible to participate on the first day of the month following your date of employment or classification as an eligible employee. If your first day of employment or benefits eligible classification is the first day of the month your benefits will be effective on that day. Upon termination or departure from the College, some benefits end on the last day of the month following your last day of employment (medical/dental/vision). Other benefits end on the event date (life/disability/FSA and HSA).

Dependents
Your legally married spouse or domestic partner and/or any biological, adopted, foster or stepchildren, children of a domestic partner, or any child for whom you are court appointed as legal guardian (up to age 26).

For information on domestic partner eligibility, be sure to visit https://www.middlebury.edu/office/human-resources/self-service-resources/domestic-partner-benefits.

KEY TERMS TO KNOW

Deductibles are the amount you pay for covered healthcare services before your insurance plan starts to pay.

- Aggregate deductible - All medical and pharmacy claims for a +1 or Family apply towards the same deductible and out of pocket max. There are no individual limits.
- Stacked Deductible - Individual medical and pharmacy claims are applied towards the individual deductible and out of pocket max regardless of +1 or Family enrollment.

Copayments (copays) are the fixed dollar amounts you pay for covered healthcare, typically at the time of service.

Coinsurance is the percentage of costs of a covered healthcare service that you pay (20%, for example) after you’ve paid your deductible.

Generic drugs contain the same active ingredients as brand-name drugs, but generally are less expensive.

Preferred brand drugs are brand-name drugs that are listed on the plan’s preferred list of prescription drugs.

Non-preferred brand drugs are brand-name drugs that are not included on the plan’s preferred list of prescription drugs. These may not be covered under the plan.

Specialty drugs are used to treat certain complex health problems. These drugs tend to be very expensive.

Preferred Provider Organization (PPO) plan provides coverage to participants through a network of selected healthcare providers (such as hospitals and physicians). The enrollees may go outside the network, but may incur larger costs.

High Deductible Health Plan (HDHP) combines traditional medical coverage and a tax-advantaged Health Savings Account (HSA) to help save for future medical expenses.

WHEN CAN YOU MAKE CHANGES TO BENEFITS?

Generally, changes are only allowed under the following circumstances:

Annual Enrollment Period
Once a year we conduct an Annual Open Enrollment in the fall. During this time, you can add or drop benefit plans, enroll in an FSA or HSA and add or remove dependents from your coverage for the coming plan year.

Qualifying Life Events - Change in Status
Outside of the Annual Enrollment period, you may change your benefit elections during the year only if you experience a Qualifying Life Event. Below are examples of life events that may allow you to make a change.

EXAMPLES OF QUALIFYING LIFE EVENTS

- Marriage, divorce or legal separation
- Enrollment in new Medical, Dental or Vision Plan
- Change in your spouse’s benefits or employment status
- Change in your child’s dependent status or loss of coverage
- If you lose other coverage (in your parents, state or other plan)
- Death of your spouse, child, or other qualified dependent

Middlebury College offers employees the choice of three medical plans through Cigna: the PPO Platinum + Plan, the Gold Plan, and the Panther Silver Plan – HDHP with HSA. All of our medical plans include 100% coverage for preventive care services in the Cigna Network. See below for an overview of how the plans work and refer to the comparison chart to see how certain common services are covered.

</tr>
<tr>
<td>Does not come with a College-funded Health Savings Account.</td>
<td>Certain in-network medical services (like office visits) are not subject to the plan’s deductible.</td>
<td>You pay 100% for your non-preventive medical care until the plan’s deductible is met. You can use HSA funds to pay these expenses.</td>
</tr>
<tr>

<td></td>

</tr>
</tbody>
</table>

Stacked Deductible: Plan pays for an individual once the individual deductible is met, even on a two-person or family plan.

Cigna’s Telehealth Connection is covered at a low cost per visit.

Other medical services (like hospital stays) are covered at 80% after the plan’s deductible has been met.

After the plan’s deductible has been met, eligible in-network medical expenses are covered at 80%.

If your out-of-pocket costs reach the annual maximum, the plan pays 100% for eligible care the remainder of the plan year.

*HSA contribution amounts are prorated for participants joining the plan part way through the year.
Empowering Your Healthcare Engagement

UNDERSTANDING SELF-INSURED HEALTH INSURANCE AND EMPOWERING YOUR HEALTHCARE ENGAGEMENT

Our CIGNA self-insured health insurance plans are designed to empower you to make informed healthcare decisions. Our plans promote accountability, healthcare engagement and cost containment, benefiting employees, their families and the College.

HOW SELF-INSURED PLANS WORK

**Employer Responsibility:** Middlebury College, the employer, assumes the financial risk for medical claims. The College develops the plan designs.

**Employee Contributions:** Your premium contributions go towards a fund for paying medical claims.

**Cost Containment:** Every dollar saved on claims contributes to better benefits and/or reduced costs in the long term.

**Cost Transparency:** Take advantage of tools to support your decision making. For our Cigna members, check out this video developed by our Cigna Engagement Specialist. It will walk you through all the cost comparison/cost containment tools available to help you make the most informed and fiscally sound decisions.

ACCOUNTABILITY AND CONSUMERISM

**In-Network vs. Out-of-Network:** Utilizing in-network providers lowers costs for you and the College. Find in-network providers at myCigna.com.

**Cost Comparison Tools:** Access online tools to compare prices and quality ratings of medical services.

**Second Opinions:** Encouraged for major procedures to ensure the best treatment options.

**Preventive Care:** Covered at 100% to promote early detection and reduce long-term costs.

**Wellness Programs:** Engage in programs that focus on healthy habits, earning rewards.

**Consider Pre-tax savings:**
- **HSAs:** For high-deductible plans, contribute tax-free to cover healthcare expenses.
- **FSAs:** Set aside pre-tax funds for qualified healthcare expenses.

CLAIM PROCESS

There are two ways claims are initiated:

<table>
<thead>
<tr>
<th>DIRECT BILLING</th>
<th>EMPLOYEE CLAIMS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Most in-network providers submit claims directly to the insurance company.</td>
<td>For out-of-network or non-participating providers, you may need to submit claims yourself.</td>
</tr>
</tbody>
</table>

Claims are processed according to plan documents and designs as designed by the College.

TRANSPARENT BILLING

**Explanation of Benefits (EOB):** Receive detailed EOBs to understand costs, benefits and any balance due.

**Questions:** Reach out to Cigna to better understand billing or coverage. You may also reach out to Your Benefits Team if you have any billing or coverage questions.

PRESCRIPTION COVERAGE

**Formulary:** Prescription drugs are organized into tiers, which categorize medications based on their cost and therapeutic value. Our formulary is structured with 3 tiers:

<table>
<thead>
<tr>
<th>TIER 1</th>
<th>TIER 2</th>
<th>TIER 3</th>
</tr>
</thead>
<tbody>
<tr>
<td>Typically Generics (lowest cost medication)</td>
<td>Typically Preferred Brands (medium cost medication)</td>
<td>Typically Non-Preferred Brands (highest cost medication)</td>
</tr>
</tbody>
</table>

Speciality medications can be in any of the 3 tiers, however they are usually found in tier 2 or tier 3.
Empowering Your Healthcare Engagement

**ANNUAL CHECKUPS**

**Important:** Schedule regular checkups to monitor your health and catch issues early.

**Coverage:** These checkups are usually covered at 100%.

Our self-insured health insurance plans empower you to take control of your healthcare decisions and costs. By becoming informed consumers, we collectively contribute to better benefits and cost containment. We’re here to support you on your healthcare journey.

**ENGAGING YOUR HEALTHCARE JOURNEY**

**Take Charge of Your Health:**

- **Make Informed Decisions:** Stay informed about your health insurance through workshops and online resources.
- **Ask Questions:** Reach out to our dedicated support team for assistance and guidance.

ID CARD
Effective January 1, 2024, Cigna is transitioning to Digital ID cards. Digital ID cards will allow access to plan coverage information more easily, and they are more conveniently available when needed.

Members will be able to access ID cards through myCigna.com and the myCigna App. Both the website and app offer convenient, timely access to ID cards, as well as many other features to help manage health and savings.

Use the digital ID cards in the same way physical ID cards are used.

• On myCigna.com, view, print or request a mailed card.
• On the myCigna App view, print, share (via text, email and AirDrop) or save an image of your digital ID card(s).

Is your doctor or hospital in the Cigna network? Cigna’s online directory makes it easy to find who (or what) you’re looking for.

HOW TO SEARCH CIGNA’S NETWORK
1. If you’re already a Cigna customer, log in to myCigna.com or the myCigna® app to search your current network.

   If you are not a current customer, or would like to search other networks, go to myCigna.com, and click on “Find a Doctor” at the top of the screen. Then, under “Not a Cigna Customer Yet?” select “Plans through your employer or school.”

2. Enter the location in which you want to search.
3. Optional – Select one of the plans offered by the College.
4. Type in who or what you are looking for. Or browse the A-to-Z glossary of providers and procedures or keywords option.
Cigna’s Telehealth Services

INCLUDED WITH ALL MEDICAL PLAN OPTIONS

Our medical plans include access to Cigna’s Telehealth Connection services at a low cost. You can interact with in-network, U.S. board certified physicians 24 hours a day/365 days a year via secure video chat or phone. No need to leave your home or office ... and no appointment is necessary!

A SMART AND AFFORDABLE CHOICE FOR QUICK CARE

Using Cigna’s Telehealth Connection can help get you the doctor visit and prescription you need, while also saving you time and money.

It’s a great tool for when:
- You are traveling
- Your dependent is traveling or away at school
- You need help after hours or on the weekend
- Anytime you can’t get in to see your regular provider

Some of the most common uses include:
- Cold and flu symptoms such as cough, fever, earaches and headaches
- Allergies and sinus infections
- Fever
- Bladder infections, UTIs
- Pink eye

CIGNA VIRTUAL CARE FOR BEHAVIORAL HEALTH

Life is demanding. That’s why your health plan through Cigna includes access to minor medical and behavioral/mental health virtual care.

Whether it’s late at night and your therapist isn’t available or you just don’t have the time or energy to leave the house, you can:
- Schedule a behavioral/mental health virtual care appointment online in minutes
- Connect with quality, licensed counselors and psychiatrists
- Have a prescription sent directly to your local pharmacy, if appropriate

IT’S SIMPLE TO USE

1. Download the myCigna® app
2. Log in with your Cigna username and password
3. Tap “Find Care” at the bottom of your screen
4. Tap Cigna Telehealth Connection, then choose MDLive

GO AHEAD AND SIGN UP TODAY!

No one plans to get sick ... it seems to happen out of nowhere! That’s why we highly encourage you to download the myCigna® app now, before you need it, and get signed in so that when you need to use the Telehealth Connection services, all you need to do is connect through the app.

One important thing to understand is the difference between Telehealth and Telemedicine. Telehealth (MDLive) is not a visit with your doctors, it is a visit with board certified physicians available through Cigna’s MD Live network. Telemedicine is the tagline used when you see your doctor via secure video conference or phone, but not in person. A Telemedicine visit follows the same rate structure as an in-person visit.

A Health Savings Account, commonly known as an HSA, is an individual account you can open, add money to and spend on eligible healthcare expenses. The HSA is only available to employees who have elected the Panther Plan Silver HDHP medical plan.

**HSA BASICS**

An HSA is unique because you own the account and control how the money is spent. Unused funds roll over from year to year. Contributions can be made with pre-federal tax and pre-state* tax dollars through payroll deduction. The money in the account can be invested and for federal and state* tax purposes earnings and capital gains are not taxed. Withdrawals to pay for qualified medical, dental, and vision expenses are not taxed either!

*CA and NJ do not grant HSAs the same tax advantages that federal law and other states provide. The employer’s contribution, your contribution and any taxable earnings within your HSA will generally be subject to state income tax, if you are required to file a CA or NJ state income tax return. Consult your tax advisor for specifics.

**SETTING UP YOUR HSA**

If you are eligible for an HSA Account (by electing the Panther HDHP with HSA medical option), you will receive a Welcome Kit at your home address with registration information. We partner with HealthEquity to administer our employees’ Health Savings Accounts.

If you currently have an HSA through Middlebury, you do not need to set up a new account. Remember to review and update your employee pre-tax contribution each year. A new debit card will not be issued unless your current card expires.

**EMPLOYER CONTRIBUTIONS**

The College’s Contribution will be deposited into your HSA each pay period.

**ADDING MONEY**

The IRS sets the annual dollar maximum that can be made to an HSA depending on if you are enrolled in a qualified high deductible health plan. Coverage of two or more people is considered family coverage. People who are age 55 or older can make additional catch-up contributions.

**USING HSA MONEY**

HSA money can be used tax-free for any eligible medical, dental or vision expenses. If you pay out of pocket for an eligible expense, you can reimburse yourself from your HSA by filing a claim online.

Once you turn age 65, you may use your HSA money for any expense, medical or not, but you will pay income taxes on those non-medical expenses. Distributions made for any non-qualified medical expenses are subject to income tax and a 20% penalty. The 20% penalty is waived in the case of death or disability.

**MANAGE YOUR ACCOUNT ONLINE**

At my.healthequity.com, you can:
- Check your account balances
- Make payments to providers
- Set up monthly payments to providers
- Transfer funds to your personal checking account
- Use the HSA Tool Kit as an additional resource

**Eligibility**

- You must be covered under a high deductible health plan (HDHP).
- You have no other health coverage except what is permitted under Other Health Coverage (See Publication 969 located at www.irs.gov).
- You are not enrolled in Medicare (if you or your spouse is enrolled in Medicare please contact benefits@gmhec.org to discuss alternative solutions).
- You haven’t used the Veteran’s Affairs Medical Coverage (See Publication 969 located at www.irs.gov).
- You cannot be claimed as a dependent on someone else’s (current year’s) tax return.

Remember, it is important to keep your beneficiary information up-to-date. Please be sure to verify or update this information each year using the HealthEquity website. Examples of when you may want to update your beneficiaries are birth, adoption, marriage, or divorce.
Our medical plans provide great coverage for your health needs, but an unexpected injury or illness can mean unexpected bills that you didn’t plan for. That’s where supplementing your insurance with our voluntary plans can help. If you experience a covered condition, you’ll receive a cash reimbursement benefit to help offset your out of pocket expenses.

CRITICAL ILLNESS INSURANCE

If serious illness strikes, Unum’s Critical Illness Insurance provides cash to help with the extra expenses associated with your treatment and recovery. If you elect this coverage and are diagnosed with a covered illness, you get a lump-sum cash reimbursement benefit — even if you receive benefits from other insurance. Your spouse may enroll in half of the employee’s coverage.

**Coverage Amounts**
- Employee – Choose $10,000, $20,000 or $30,000
- Child – All eligible children are automatically covered at 50% of the employee benefit amount (no additional cost)
- Spouse – Choose $5,000, $10,000 and $15,000 (must also purchase employee coverage)

**Covered illnesses include (but are not limited to):**
- Heart Attack
- End Stage Renal (Kidney) Failure
- Stroke
- Coronary Artery Bypass Surgery
- Major Organ Transplant
- Cancer and Carcinoma in Situ
- Benign brain tumor
- Blindness

**Wellness Benefit**

You can receive a wellness benefit of $50, $75 or $100 per calendar year per person covered under the Critical Illness plan if a covered health screening test is performed.

These wellness benefits are based on the employee coverage amount that is selected. Contact Unum at 800.635.5597 to inquire about claiming your wellness benefit.

**Critical Illness Insurance Rates**

Rates are based on you and your spouse’s age and coverage amount elected. Review the rates listed in Oracle as you make your elections.

ACCIDENT INSURANCE

The Accident Insurance plan provides benefits to help cover the costs and out-of-pocket expenses associated with your treatment and recovery from an accident. When a covered accident occurs, the last thing you should have to worry about is paying for the charges that may be accumulating while you’re not at work.

**Examples of Covered Injuries***
- Broken bones
- Burns
- Torn ligaments
- Concussions
- Eye injuries
- Ruptured discs
- Lacerations

*Exclusions and limitations may apply; refer to plan documents for full list

NEW for 2024: Introducing Northeast Delta Dental!

We offer two dental plans through Northeast Delta Dental. There are differences in coverage. It is important you choose the plan that is right for your needs. Those needs may change from year to year. Look at the factors such as the amount you pay for coverage, annual deductible, annual maximum and your out-of-pocket costs on services.

SAVE MONEY IN THE NETWORK

Although you may visit any provider you would like, you will get the best value when you receive care from a Delta Dental PPO (greatest savings) or Delta Dental Premier dentist. Out-of-network providers are allowed to balance bill you for any amount above the out-of-network reimbursement. Visit nedelta.com or log on to the Delta Dental mobile app to see who is in the network.

**HEALTHCARE FSA**

A Flexible Spending Account (FSA) allows you to set aside money from your paycheck before income taxes are withheld. This money is available to pay for eligible medical, dental, and vision expenses, such as copayments, deductibles, eyeglasses, contact lenses and other health-related expenses that are not reimbursed by insurance.

**LIMITED PURPOSE FSA (HDHP PARTICIPANTS ONLY)**

If you or your spouse are enrolled in a High Deductible Health Plan, you may only enroll in a Limited Purpose FSA. You may use these funds to pay for eligible dental and vision expenses, preserving the money in your HSA for medical expenses.

**HOW IT WORKS**

You decide how much to contribute to your Healthcare or Limited Purpose FSA each year, up to $3,050*. Your annual election will be divided by the number of pay periods and deducted evenly on a pre-tax basis from each paycheck throughout the plan year.

**Rollover**

FSA plans allow up to a certain dollar amount to rollover from year to year. You may rollover up to $610* of unused funds.

*The IRS reviews flexible spending limits each year. At the time of printing this guidebook, updated 2024 limits have not been released.

**CLAIMS REIMBURSEMENT**

You can access your FSA funds through the plan administrator’s website at naviabenefits.com. Learn more about managing your account on the next page.

**DEPENDENT CARE FSA**

The Dependent Care FSA allows you to set aside money from your paycheck on a pre-tax basis for child care expenses to allow you and your spouse to work or attend school full-time. Eligible dependents are your tax dependent children under 13 years of age or a child over 13, spouse or elderly parent residing in your home, who is physically or mentally unable to care for himself or herself.

**How Much Can I Contribute to a Dependent Care FSA?**

Under the Dependent Care FSA, if you are married and file a joint return, or if you file a single or head of household return, the annual IRS limit is $5,000*. If you are married and file separate returns, you can each elect $2,500* for the plan year. You and your spouse must be employed or your spouse must be a full-time student to be eligible to participate in the Dependent Care FSA.

**Eligible Expenses**

Some examples of eligible Dependent Care expenses include day care facility fees, before and after school care, in-home babysitting fees (income must be reported by your care provider on their tax return) and elder care.

**Things to Consider Before You Contribute to A Dependent Care FSA**

- You cannot take income tax deductions for expenses you pay with your Dependent Care FSA.
- You cannot stop or change contributions to your Dependent Care FSA during the year unless you have a change in status consistent with your change in contributions.
- Claims for the previous calendar year must be submitted for reimbursement by March 31.

**FSA Carryover / Runout**

- FSA Carryover = $610
- Members have up to 60 days after end of plan year (March 31), to submit FSA claims incurred in the prior year.

BASIC LIFE AND AD&D

For eligible employees, the College pays 100% of the cost of Basic Life insurance and Accidental Death & Dismemberment (AD&D) insurance through Unum.

* At age 70, benefits reduce to 65% of covered amount. At age 75, benefits reduce to 50% of covered amount.

The Basic Life and AD&D benefit premiums are paid by the College, however, the imputed cost of coverage is taxable under federal law. FICA, state and federal taxes based on the imputed cost of coverage over $50,000 is determined by using an IRS chart with your age and the dollar amount, and withheld from pay.

In most cases the tax you pay on the benefit is much less than it would cost you to purchase the insurance on your own.

LONG-TERM DISABILITY

Long-Term Disability (LTD) provides you with income when you are unable to work due to a disability. This coverage is provided to you by the College at no cost to you. All claims are administered by Unum. LTD payments are 60% of wages up to $10,000 per month. Payments are made directly to you by Unum.

Long-Term Disability will begin once:

CORE PLAN

Participation in the Core Plan is a mandatory condition of employment for benefits eligible employees age 21 and older. Your contribution level and the College’s generous contribution, change over time. See the chart below.

Employee contributions in Core plan are made on a tax-deferred basis. There is full and immediate vesting of all employee and employer contributions. Investments default into an age-based TIAA Life Cycle Fund. Employees can manage their own investments and choose from a variety of mutual funds as well as fixed and variable annuities. For more details, visit [www.tiaa.org/public/tcm/middleburycollege](http://www.tiaa.org/public/tcm/middleburycollege).

Special rules apply for rehires and for employees who incur a break-in-service. See the SPD or contact Benefits for details.

A new employee may qualify to go directly to the 9% or 11% employer contribution level if the employee had participated in a 401a, 401k, or 403b plan with a previous employer within 6 months of the date of hire with Middlebury AND that previous employer contributed in excess of 3% to the retirement plan. Restrictions apply: See the SPD or contact Benefits for details.

*NOTE: Middlebury Undergraduate College employees hired prior to July 3, 2017 may be eligible for a 15% employer contribution upon reaching age 45.*

VOLUNTARY 403(b) PLAN

All employees may save for retirement using the voluntary 403(b) plan. Participants may contribute to the 403(b) plan on a pre-tax and/or Roth after-tax basis.

A Roth contribution is taken from your check after you’ve paid income tax on your earnings, so your current taxable income is not reduced. Later, your withdrawal of the Roth contributions and any investment will be tax-free. Consult with TIAA or another advisor if you have any questions about whether Roth contributions are a good option for you.

**How Much Can I Contribute?**

You may elect any combination of pre-tax and Roth deferrals, up to the allowed IRS maximum for your age. In 2023 the contribution limit was $22,500. For those age 50 or older the limit was $30,000. The 2024 limits may be higher.

Note, your mandatory employee contributions to the Core Plan, if any, do not count toward your 403(b) annual IRS savings maximum.

*Does Middlebury Contribute to My 403(b)?*

No, the 403(b) is for employee contributions only.

*When Can I Enroll or Change my Contributions?*

You can start, stop or change 403(b) contributions at any time by making a new election in Oracle.

457(b) DEFERRED COMPENSATION PLAN

Certain employees who meet the salary threshold may also be eligible to contribute to the supplemental 457(b) Deferred Compensation Plan. Contact benefits@gmhec.org or 802.443.5485 for details.

HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

Beginning in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Each year, the open enrollment period for health insurance coverage through the Marketplace runs from Nov. 1 through Dec. 15 of the previous year. After Dec. 15, you can get coverage through the Marketplace only if you qualify for a special enrollment period or are applying for Medicaid or the Children’s Health Insurance Program (CHIP).

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5 percent (as adjusted each year after 2014) of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

HOW CAN I GET MORE INFORMATION?

For more information about your coverage offered by your employer, please check your summary plan description or contact Your Benefits Team at benefits@gmhec.org or 802.443.5485.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
Important Notices

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-4BSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility.
