NOTES:

(1) Applications and Admits include students who chose to defer enrollment until next year (carry-outs). Deposits include students who applied and were admitted the prior year who deferred enrollment (carry-ins).

(2) Acceptance rate is the percentage of applicants offered admission. Transfer applicants are not included.

(3) Yield rate is the percentage of students accepted who enroll. This calculation is computed twice; once at the Admission Census date, and again at Fall Census (beginning of 6th week of classes).

(4) Test Scores are reported for all students, regardless of whether or not the tests were a factor in their admission decision.

(5) Beginning in 2017, SAT test scores only reported for SAT Math and Evidence-Based Reading and Writing (EBRW).
