

LONG LIVE THE HAYRIDE!

OVERHEARD

"It had a fourth side — we've been limiting a triangle for so long!"

"I wearied of querying."

"You're obsessed with chairs, you love seating!"

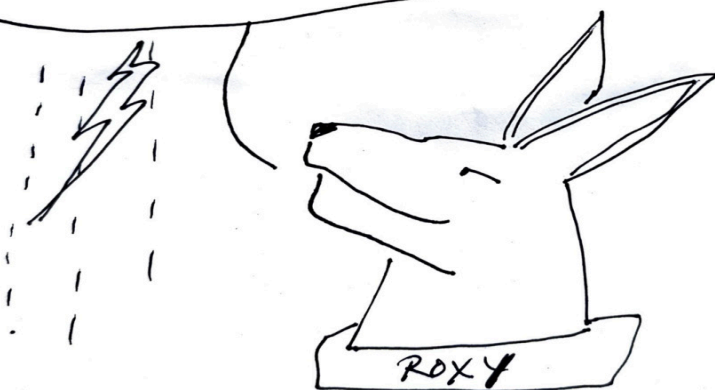

"Just for the record anything we say right now might be overheard in *The Crumb*???"

"Craft shmaft — let's play another set."

"The dream of the toasted cookie fades..."

Farewell and safe travels from your Crumb editors,
Matthew Lawrence Garcia and Annie Schumacher

THEY SAY EVEN THE WEATHER
MUST CHANGE — THAT IT'S
ALWAYS BEEN SO — ALL I KNOW
IS I'VE LOVED YOU, BREAD LOAF —
BUT I MUST GO...
