

LONG LIVE THE HAYRIDE!

OVERHEARD

"Is my aura glitching?"

"Will you be reading? No, I'll just be screaming."

"I thought it was going to be about drinking, but it's about my mother again."

"The hayride was a one-way portal."

"I'm just coughing because I think I have a lot of cat hair in my body."

"The blazing dream of the Tea House fades..."
